

SEPTEMBER 8 - WORLD LITERACY DAY

The NSS unit of our college has decided to conduct program on literacy day. Literacy is the ability to identify, understand, interpret, create, communicate and compute, using printed and written materials associated with varying contexts. Since 1967, International Literacy Day (ILD) on September 8th has been celebrated annually around the globe. The aim of ILD is to promote the importance of literacy as a matter of dignity and human rights, and to advance the literacy agenda towards a more literate and sustainable society. In the morning we have conducted a google meet with all the volunteers by sharing the importance of literacy day. AAVANI KRISHNAN took a speech about the importance of the day. And we also conducted an essay writing competition on 10 am to 12 pm and the winner is ATHIRA PR from 2nd B. Com.
