

INTERNATIONAL MATHEMATICS DAY

- **QUIZ COMPETITION ON INTERNATIONAL MATHEMATICS DAY**
(15.10.2019)

In connection with International Mathematics Day, a quiz competition was conducted on 15.10.2019 for students of Department of Mathematics for increasing the mathematical aptitude of the students. All the students of the department participated in the first round out of which 10 students were qualified for second round. Qualified 10 students classified into 3 groups and participated in the final round. Eventually the group lead by Ms. Revathy Raj become winners of the competition.
