

SEPTEMBER 27 - WORLD TOURISM DAY

The NSS unit of our college has decided to conduct programs on the day. Tourism is one of the world's fastest-growing industries and a major foreign exchange and employment generation for many countries. It is one of the most remarkable economic and social phenomena. The world 'tour' is derived from the Latin word tornus, meaning 'a tool for making a circle

'World Tourism Day' is undoubtedly a great initiative undertaken by 'United Nations World Trade Organisation' to raise awareness of the role of tourism within the international committee and to demonstrate how it affects social, cultural, political and economic values worldwide. And also we conducted a google meet with all the volunteers with sharing their feelings about travelling and ARYA S shared the importance and her experience in tourism. Later we conducted a short story writing competition. The winner is MUNNU. R from 2nd B s c chemistry
