

DECEMBER 5- INTERNATIONAL VOLUNTEER DAY

The International Volunteers Day for Economic and Social Development (5 December), more commonly referred to as International Volunteer Day (IVD), is an international observance mandated by the UN General Assembly in 1985. It offers an opportunity for volunteer-involving organizations and individual volunteers to promote volunteerism, encourage governments to support volunteer efforts and recognize volunteer contributions to the achievement of the Sustainable Development Goals (SDGs) at local, national and international levels. The theme for International Volunteers Day 2020 is Together We Can through Volunteering. Amid the Covid-19 pandemic on the world level, the volunteers have worked at the forefront of medical, community and societal responses. The NSS volunteers of Sree Narayana College Chengannur conducted an online meeting on Google meet. Our volunteer secretary Anandhu Sunil and Athira V Kumar lead the meeting with the presence of other volunteers. Through this platform, that day almost all volunteers shared their experiences about their volunteerism. Our programme officer SMT Bindhu V K lead the meeting.
