

WORLD CANCER DAY : 04/02/2021

Sree Narayana College Chengannur NSS Unit no.49a&b observed World Cancer Day on 04th February 2021. World Cancer Day is an International event which is observed every year on February 4. The Union for International Cancer Control (UICC) founded the World Cancer Day on 2008. So it is at most important that people are made aware of this disease because awareness and proper treatment can save millions of people. Observing World Cancer Day means raising awareness about Cancer in people and encouraging its prevention, detection and treatment.

The theme for World Cancer Day 2021 is 'I Am and I Will.' It is a multi-year campaign that began in 2019 and this year will mark the last year. The theme represents an empowering call-to-action urging personal commitment, it also represents the power of action taken now to have a positive impact on the future. The theme clearly focuses on "together all our actions matter". Regular health check-ups and early detection of cancer is the only way possible to fight and win against this deadly disease. It is always best to consult with an expert and take advice and help at the right time.
