

WORLD SOCIAL JUSTICE DAY – 20/02/2021

Sree Narayana College Chengannur NSS Unit no.49a&b celebrated World Social Justice Day on 20th February 2021. This day is to raise voice against social injustice and to remove barriers regarding gender, race, inequality, religious discrimination etc. It also highlights the social injustice done throughout the world and to look into the solutions and improvements. To remove the barriers basically that people face about gender, race, ethnicity, age, religion, culture or disability etc. it is necessary to uphold the principles of social justice.

The theme of World Day of Social Justice 2021: “A Call for Social Justice in the Digital Economy”. This year’s commemoration supports efforts by the international community to search for solutions to achieve sustainable development, poverty eradication, the promotion of full employment and decent work, universal social protection, gender equality and access to social well-being and justice for all. The main objectives of Social Justice are compulsory and equal education, caste less society, and employment to each. In the situation of Covid-19 pandemic our college team National Service Scheme (NSS) is very helpless to celebrate these types of important days in offline platform. However, our volunteers definitely done something to celebrate the day in online platform. They made posters, essays, slogans, cartoons etc.
