## **10. Science Fest and Science Exhibition on National Science Day, Department of Chemistry, 22 February, 2023**

### Science Fest

Science Fest 2023 was organized at Sree Narayana College Chengannur by the Department of Chemistry, Department of Physics, Science Forum and IQAC on 22/2/23 in connection with National Science Day. Science Fest was inaugurated by our Principal Dr. Shereen K,

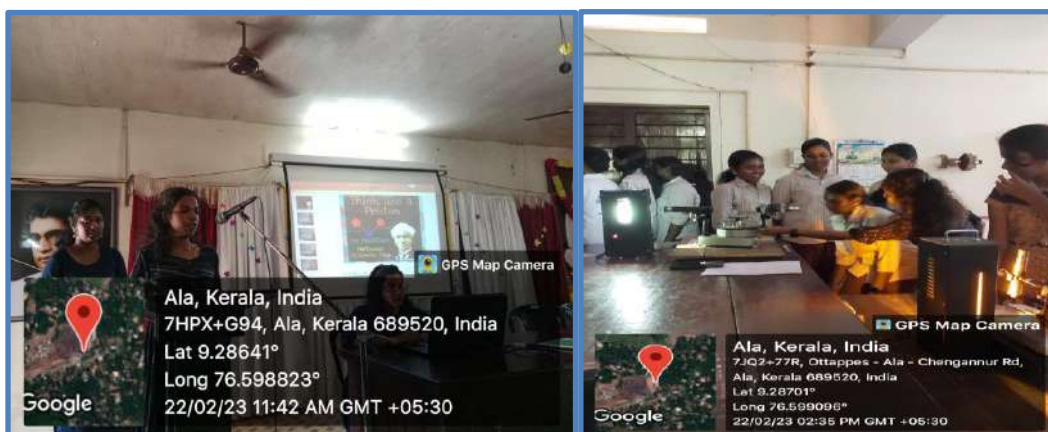

The session was presided over by Dr. Venu S, Head, Department of Chemistry. Dr. Smitha Sasidharan, IQAC Coordinator delivered felicitation and Mr. Abhilash T Mohan, student of BSc Chemistry acknowledged the participants. A quiz competition 'Quimica' was conducted for school students. Students from nearby schools participated in the quiz competition and a preliminary round was carried out to select 5 teams from the participants. Cash prizes were given to the winners. In the afternoon a Science Exhibition "AURORA" was organized to inculcate scientific aptitude among the young generation. More than 300 school students along with their teachers attended the exhibition. Students of Chemistry department set more than 25 experiments as part of the exhibition. Department of Physics also arranged experiments for the exhibition. Students showed great enthusiasm to demonstrate the experiments and the school children were very keen to learn the science behind the experiment.

Inauguration of Science Fest by Dr. Shereen K

Quiz Competition for school children

### Science Exhibition

Quiz programme organized by the I M.Sc. Chemistry 2022 admissions as a part of Science Day Observation

## 11. Department of Commerce - FOOD FEST, February 21, 2023

FOOD FEST organized by Commerce Association and Department of Commerce on 21<sup>st</sup> February 2023. The programme was inaugurated by Dr. Shereen K (Principal in Charge, Sree Narayana College, Chengannur). Teaching and non-teaching staff and students participated in this programme. ## 24. Webinar Series on Material Characterization Talk-I-Spectroscopic Techniques, August 7, 2022

The Post Graduate Department of Physics, IQAC and Science Forum of the Sree Narayana College, Chengannur jointly organized a one-day webinar on “Material Characterization-Spectroscopic Techniques” on 07 August 2022 in connection with the commemoration of Dr.APJ Abdul Kalam our former president, renowned Physicist well known as the Missile man of India. The program primarily targeted the post graduate students who are interested in further research after completion of the course. The topic spectroscopic techniques are very useful for the undergraduate and postgraduate Physics as well as Chemistry students. Smt.Shereen K, Principal-in-Charge, presided over the function. Ms.Haritha Harikumar, III B.Sc. Physics, invoked God almighty through her prayer song. Dr.K.Sreelatha, Assistant Professor and Head of the Department of Physics welcomed the participants. Dr.Vinoy Thomas, Assistant Professor, Research Department of Christian College, Chengannur inaugurated the event and delivered the inaugural speech. He also inaugurated the Physics Association for the academic year 2021-22. Dr.Venu S, IQAC coordinator, Assistant Professor and Head of the Department of Chemistry, felicitated the occasion. Ms.Rashna S, III B.Sc. Physics, and Physics Association Secretary, delivered a vote of thanks. Ms.Ardhana Chandran, II M.Sc. Physics and Ms.Rashna S were the Masters of the Ceremony. Dr.Vinoy after the inaugural session, gave an invited talk on “Spectroscopic Techniques' '. An interdepartmental Science Quiz competition and a Poster design competition was scheduled in connection with the event and as further activities of Physics Association. These programs primarily target students, to impart an understanding of basic sciences and its importance. The programs are also intended to stimulate their co-curricular and creative aspects.

TECHNICAL SESSION II

SCIENCE  
QUIZ

**Dear Sir/Madam,**

Greetings of the Day!

The Post Graduate Department of Physics, Science Forum & IQAC of Sree Narayana College, Chengannur jointly organize a one-day webinar on "Material Characterization" in connection with the commemoration of Dr.APJ Abdul Kalam. The plenary talk in this series is on "Spectroscopic Techniques" by Dr.Vinoy Thomas, Assistant Professor, Department of Physics, Christian College, Chengannur. He has kindly consented to inaugurate the webinar series & Physics Association of our college and to deliver the inaugural talk. Dr.Vinoy Thomas will also lead a technical session on "Spectroscopic Techniques".

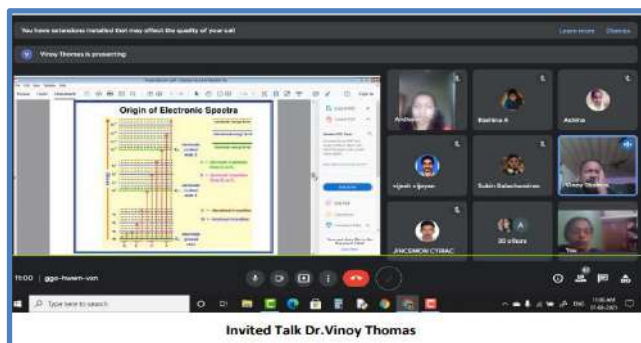

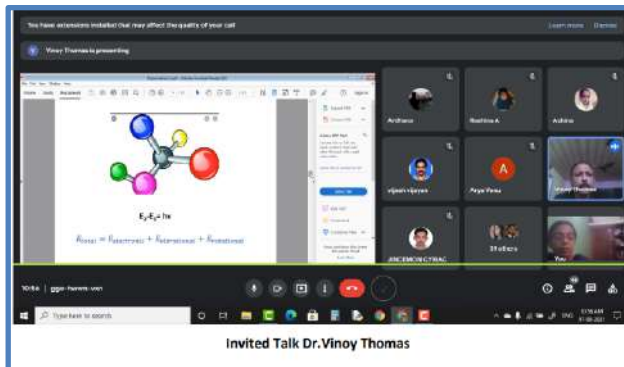

An interdepartmental Science Quiz Competition and Poster Design Competition are also scheduled in connection with the event. The programs primarily target students, to impart an understanding of basic sciences and its importance. The programs are also intended to stimulate their co-curricular and creative aspects.  
All are cordially invited to the function.

**25. RENDEZVOUS WITH GRANDEUR-L2 UNFURLING THE MYTHS IN UPSC CIVIL SERVICES EXAMINATION, 26 February, 2022 at 10.00 A.M**

An online session was organized as a part of meeting the masters program envisioned by the department of economics. Mr Nikhil Madhusudhanan senior mentor at Vision IAS academy New Delhi was the guest of honor for the day. His wide range of experience in the field of UPSC training has enriched and enlightened the students of our department. He could manage to clear all the apprehensions among the students about several myths in the field of UPSC preparation. The interactive session followed by the lecture makes it possible for our students to have good clarity on the mode and scheme of the examination. Hod Smt. Sreedevi Gopalakrishnan welcomed the participants to the event and Mr Jyothish S expressed the vote of thanks.

## 26. One Day Seminar and Awareness Programme on National Science Day, 26 & 28 February 2022

The Department of Physics, Science Forum and IQAC of the Sree Narayana College Chengannur organized various competitions and a one-day seminar & awareness programme in connection with the National Science Day Celebrations this year. The event was supported by Academy of Physics Teachers, Kerala (APT).

The programs primarily targeted the student community to create an awareness on the developments of science and technology in India. The programs inspired students to go for higher studies in basic sciences and understand the importance of studying basic sciences. The programs also stimulated their co-curricular and creative aspects. A one-day seminar & awareness programme was organized on 28 February 2022. An Intercollegiate Poster Presentation Competition and an Interdepartmental Science Quiz Competition was conducted on 26 and 28 February 2022 respectively. ONE-DAY SEMINAR AND AWARENESS PROGRAMME 28/02/2022 The Department of Physics & Science Forum of Sree Narayana College Chengannur jointly hosted a one-day seminar and awareness programme on 'National Science Day Celebrations-2022 on 28 February 2022. About seventy students participated in the program and began with the prayer song. Dr.K.Sreelatha, Head of the Department of Physics delivered the welcome address. Smt.Shereen K, Principal of the college inaugurated

the function and delivered the inaugural address. Sri.Praveen K H, Assistant Professor, Department of Physics, felicitated the occasion. Miss.Aswathy J S, II MSc Physics, presented a seminar on “Graphene-The New Wonder Material”. I M Sc students, Miss.Ardrasajeev, Miss.Lakshmi S, Miss Kavitha K M, Mr.Sandeep Kumar S presented their photographs on the topic “Science in Nature” and explained the scientific facts in it. Smt. Parvathy S Kumar proposed a vote of thanks to the gathering. The programmes came to an end with the National Anthem.

## 27. "IDENTIFYING A RESEARCH PROBLEM", Department of Economics, 22 January, 2022

The Department of Economics, Sree Narayana College, Chengannur organized a new academic initiative, a webinar series. As part of it, the department conducted a maiden online session on "Identifying A Research Problem", on 22 January, 2022 at 10:00 AM- 12.00 PM. A total of 52 graduate and post graduate students of the college participated in the programme.

At the very outset, Head of Department, Economics Smt. Sreedevi Gopalakrishnan welcomed all the participants into the programme. Further the Resource person, **Prof (Dr.) Baiju KC, Professor, Dean and HOD, Department of Economics, Central University of Kerala** officially inaugurated the webinar series, and presented a wonderful session on "Identifying A Research Problem". His presentation was mainly concentrated on introducing the students with Research .He elaborated various stages of research, identifying a research problem, relevance of research problem in contemporary situations. He also gave an idea about research problems, research questions and policies for the welfare of the society. After the presentation, there was an interactive session with the participants where the students clarified their education and job

related doubts with the resource person. Finally the programme was concluded with the vote of thanks to all the participants in the session.

**Theme Note**  
Research is a systematic investigation into and study of materials and sources in order to establish facts and to reach at new conclusions. While considering the different stages of research, identifying the research problem forms the foremost and essential stage in it. The authenticity and relevance of the research problem in the contemporary situations will enlarge the quality of research and is helpful for the policy makers in framing suitable policies for the welfare of the society.

## 28. INVITED TALK ON “SPECTROSCOPY, 18 January 2022

Post Graduate Department of Chemistry, Sree Narayana College, Chengannur in association with the IQAC, organized an invited talk on “SPECTROSCOPY” on 18 January 2022. Dr Swaroop Sasidharanpillai, Senior Research Associate, University of Guelph, Guelph, Ontario, Canada was the invited speaker. The lecture is focused on spectroscopy and the presentation is based on the MSc Chemistry Syllabus of various Universities in India. The session started with a warm welcome address by Dr Smitha Sasidharan, IQAC Coordinator of the College. The seminar was inaugurated by the Principal in-charge Smt Shereen K. The talk was felicitated by Dr Jisha Sasidharan and Ms Neetu Pradeep. The specific topics of NMR Spectroscopy and Raman Spectroscopy were presented by the invited speaker. The participants raised questions to the speakers and discussed the topics. The session was very vibrant and participants gave very good feedback. Dr Anju K S, Assistant Professor in Chemistry delivered the vote of thanks.

**Theme Note**

The COVID 19 and its repercussion have been reflected in all spheres of the economic as well as social activities at global as well as national level. It has caused widespread devastation of life and livelihood and it is still haunting the economy in several ways. The pandemic has induced several structural changes which have significantly altered the way we work and live. At another level, the pandemic has affected the employment and income opportunities of the poor and vulnerable more, especially in emerging and developing economies. The lasting damage inflicted by the pandemic on these segments is of serious concern for inclusive growth. Hence, India's growth imperative remains every bit as urgent, to help recover lost jobs, amortize scarred incomes and sustain elevated public debt incurred from the pandemic. The policy making agencies are in a greater trouble to reallocate the economy towards a Stronger, Inclusive and Sustainable Economy creating economic recovery and growth after COVID-19. Against this backdrop, the situation has urged the need to analyse India's growth dynamics during the post COVID scenario

### **30. One day online session on "Career Prospectus for Young Economics Graduates", 13 November, 2021.**

The Department of Economics, Sree Narayana College, Chengannur, organized a new academic initiative, a Seminar Series, RENDEZVOUS with GRANDEUR” on 13<sup>th</sup> November, 2021. It is a French word and the English meaning of it is ‘Meet the Masters’. As part of it, the department had conducted a maiden online session on “**Career Prospects for Young Economics Graduates**”, on 13 November, 2021 at 11.00 AM- 12.00 PM. A total of 52 graduate and post graduate students were participating in the programme.

At the very outset, the HoD madam was welcome to all the participants into the programme. Further the Resource person, Smt. Gayathri Nair, IES officially inaugurated the seminar series, RENDEZVOUS with GRANDEUR and made a session on “**Career Prospects for Young Economics Graduates**”. Her presentation was mainly concentrated on the career advancement of the students in the Economics discipline which includes career motives, importance of economics, Applying principles of economics etc. She discussed the importance of the application of economics in all spheres of life aspects of the people especially with regard to COVID 19 and sports. She discussed five important points for meaningful learning namely, conceptual clarity, reading newspapers with better understanding, data analysis for ensuring authenticity, improving communication skill and hard work for success. After the presentation, there were interactive sessions with the participants where the students clarified their education and job related doubts to the resource person. Finally the programme ended with the vote of thanks to all the participants.

**31. Webinar on regaining a sense of control: “Insights from Psychology to navigate the unknown and adapt to the new normal”, Department of Economics, 29 October, 2021, 05.00 PM**

An online session organized by the department of economics for providing psychological support for the wellbeing of the students who were pursuing online classes. **Ms. Sumangali Radhakrishnan Assistant Professor, Jesus and Mary College, University of Delhi** was the key speaker and she addressed the various issues which are pertaining to the student community in general and provided solutions for the same. Issues relating to stress and solutions to overcome the same has been discussed. Students were given certain live experiments to illustrate the concepts. A total of 63 students participated in the online session. Hod Smt Sreedevi Gopalakrishnan welcomed the guest and participants to the session and Dr Shamna T C expressed the vote of thanks.

### 36. Webinar on "International Research Opportunities for Science Graduates", 9 September, 2021

A webinar was organized by the Post graduate Department of Chemistry in association with IQAC, Research committee and Science Forum, SN College, Chengannur on 9/10/2021 at 9.30 am for the graduate and postgraduate science students of Kerala. Dr. Surjithkumar, Research Associate, University of Alberta, Edmonton, Canada has delivered an invited talk on "International Research opportunities for Science Graduates" through an online mode using Google Meet Platform. Smt. Shereen K, Principal in Charge Sree Narayana College, Chengannur welcomed the participants. More than 82 students participated in the webinar. Students were very keen to know the international research opportunities and thrust areas of current research. Dr. K. Sreelatha, Associate Professor, Department of Chemistry delivered a felicitation during the programme and Dr. Smitha Sasidharan, IQAC Coordinator delivered vote of thanks at the end of the session. Brochure and some screen shots of the webinar and the follows:-

### **37. Three day National online training program on “Venom Hazard Management and Best Practices”, 11 to 13 August, 2021**

The Dept. of Economics, Sree Narayana College, Chengannur, and The Tamil Nadu Dr. Ambedkar Law University, Chennai in collaboration with National Institute of Disaster Management, Ministry of Home Affairs, Govt. of India had conducted a three day National Online training program on “Venom Hazard management and Best Practices” from 11 to 13<sup>th</sup> August, 2021.

In the very outset of the program, the welcome address was delivered by Smt. Sreedevi Gopalakrishnan, HoD, Dept. of Economics, Sree Narayana College, Chengannur. Subsequently, the inaugural address was made by the honorable Principal, Smt. Shereen K, Sree Narayana College, Chengannur. Further, the felicitation was conveyed by Prof. (Dr.) K S Sarwani, The TamilNadu Dr. Ambedkar Law University, Chennai and Dr. Ajinder Walia, Assistant professor, NIDM, New Delhi and Smt. Vani Jayadevan, Assistant Professor, Dept. of Economics, Sree Narayana College, Chengannur expressed the vote of thanks.

Inaugural session was followed by the technical sessions where all the participants had the opportunity to listen to eminent panelists affiliated to reputed academic institutions and research centers from different parts of our country.

The technical sessions started with the presentation of Dr. Dileep Kumar R, Chairman of Indriyam Biologics Pvt. Ltd. Through his presentation, he gave the participants a brief introduction regarding the snake types, classification and its venom. He discussed how snakes prevent prey from escaping, the process of anti -snake venom and its preservation in detail. He articulated the issues related to mismanagement by citing a case study of snake bite occurred in Wayanad district of Kerala where the victim lost her life , in addition to it he had suggested the timely action plan to counter this particular incident.

The second session was handled by Mr. Peter Christopher. He provided a clear-cut distinction between different snake species and their diversified characteristics. Through his presentation he also provides valuable suggestions in confronting snake bites. He also stressed upon various provisions under the wildlife protection Act, 1972 which makes the killing of snake a punishable offense

Second day of the training programme started with a lecture by Miss. R R Senji Laxme, Ph.D. Scholar, IISC, Bangalore. She had discussed the complications of snake bite in the human body and the production of commercial Indian Ant venom borrowed from Tamil Nadu. In her presentation, she stressed that venom will vary between the species as well as within the species and it also varies upon the lifestyle of snakes. She discussed the clinical and economic repercussions by pointing out that the increase in the number of vials would increase the cost of treatment and it will ultimately become a financial burden for the poor families. She also asserted certain solutions for this from her study i.e., through the better understanding of venom and better ant venom manufacturing strategies etc.

After that Dr. VV Pillai, Chief at poison control center and Professor of Forensic Medicine and Toxicology, AIMS, Cochin, Kerala has made his presentation. He mainly focused on the treatment protocols associated with snake envenomation. He started his session with a brief introduction about different types of venomous and non- venomous snakes, its identification and treatment protocols associated with it. He had also provided information about other venomous organisms in our ecology and the risk related to it.

Third day of the training programme, begins with the session was handled by Dr. S R Chandramouli from Pondicherry University. He discussed the major identifying features of venomous and non- venomous snakes. He shared the information and concern that India is a country which is prone to high number of snake bites and related issues every year especially in rural areas.

Next session was handled by Dr. Haritha Devi, Research Director, The Tamil Nadu Dr Ambedkar Law University, Chennai. Her lecture mainly focuses on the legal provisions in transmitting the traditional ecological knowledge into knowledge economy and she argues that assigning intellectual property rights will empower the indigenous community. She

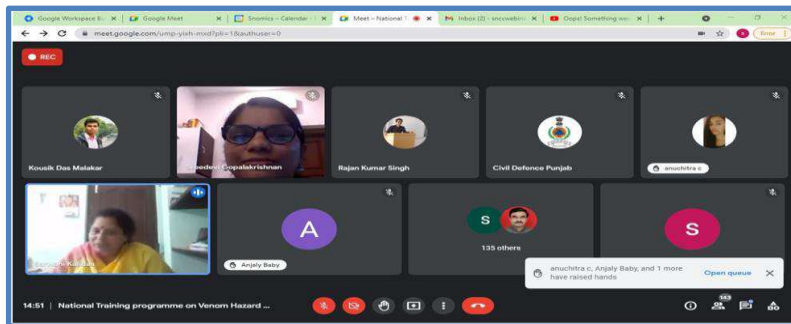

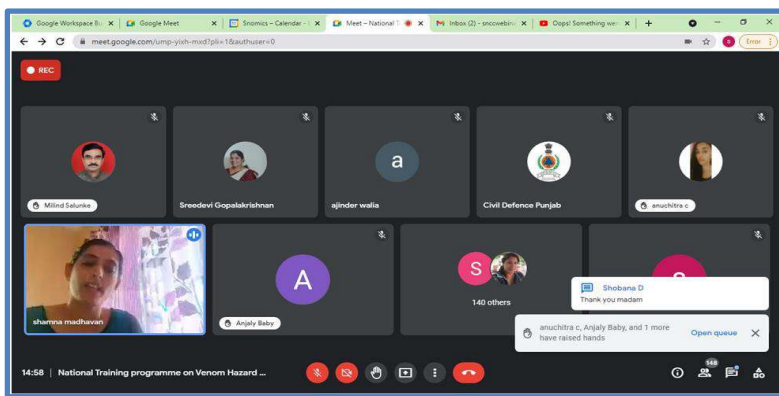

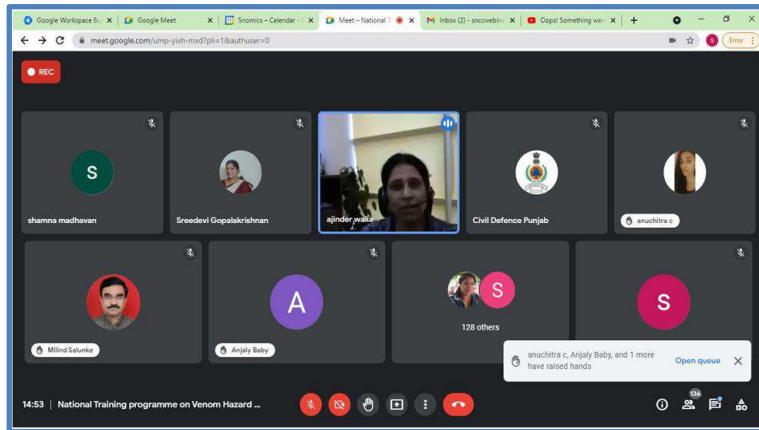

emphasized the importance of traditional knowledge in the treatment of snake bite and its documentation would be beneficial to mankind and it can also be monetized.

Further, a lecture was given by Dr. P Sakthivel, Assistant Professor from The Tamil Nadu Dr Ambedkar Law University, Chennai. The central point of discussion was on the health, economic and policy perspectives of ant venom initiatives. He opined that the socio- economic conditions of the patients due to snake bite will be reflected on the treatment cost and it will have a long-term impact on the health and ability of survivors at work. He criticized that national health policy, 2017 didn't have a mention about the specificity of venom/ snake bite even in rural areas and specific health issues including treatment of venom.

The final presentation of the training programme was made by Mr. Jose Louise, Deputy Director from World Wildlife Trust of India. The focus of his lecture was to incorporate technology in delivering information regarding snake bites, its nature and mitigation. He introduced a mobile app, 'SARP' for tracing out the incidence of snake bites and related rescue measures.

The three day training programme on "Venom Hazard management and Best Practices" ends with the subsequent valedictory session which includes rapporteurs report and vote of thanks.

The poster is for a three-day national training program. At the top, it features logos for Sree Narayana College Chengannur, the Government of India, and NIDM. The text identifies the organizers as the Department of Economics at Sree Narayana College Chengannur and The Tamil Nadu Dr Ambedkar Law University (TNDALU), Chennai, in collaboration with the National Institute of Disaster Management (NIDM), Ministry of Home Affairs, Government of India. The program is titled "VENOM HAZARD MANAGEMENT AND BEST PRACTICES" and is scheduled for August 11th, 12th, and 13th, 2021, from 2:30 pm to 4:30 pm. The sessions include Inaugural Session, Technical Sessions, and Inter-disciplinary Forums. Three speakers are listed: Prof (Dr) N S Santhosh Kumar, Vice Chancellor of TNDALU, Chennai; Maj Gen Manoj Kumar Bindal, Executive Director of NIDM, New Delhi; and Smt. Shereen K, Principal of SN College, Chengannur. The poster also includes a "Stay Protected from Corona" slogan and a website link.

### **38. “SAPTHAPADI” Collaborating Organization: District Legal Cell Authority 21<sup>st</sup> July 2021, 03.00 PM**

Department of Economics S N College Chengannur in association with District Legal Services Authority conducted a legal awareness program against dowry in the wake of recent killings of several young brides. The program was held online on 21<sup>st</sup> July 2021 at 3.00 pm online in google meet platform. Meeting was presided over by the principal Smt. Shereen K and Head of the Department Smt Sreedevi Gopalakrishnan welcomed the dignitaries to the event. Sri Joseph George, Secretary, Bar Association Chengannur inaugurated the event which was followed by the distinguished lecture by Adv. Jayan C Das, District Court Alappuzha. Students from the department of economics and volunteers of NSS attended the event and participated in the online quiz based on the session. Candidates who have passed the threshold mark were given online certificates. Smt Vani Jayadevan Assistant professor Dept of Economics expressed the vote of thanks.

### 39. Faculty Training Program on LMS, IQAC, June 3, 2021

The IQAC team of the college, with the aim of educating and giving hands on training for the teaching faculty on the MOODLE LMS as a Platform for teaching-learning process, conducted an online demonstration on 03<sup>rd</sup> June 2021 (Thursday), in association with Marian College, Kuttikkanam. The online programme was chaired by Smt. Shereen. K, the Principal-in-Charge of the college. The then IQAC Coordinator, Dr. Venu.S formally welcomed the gathering. The programme started at 3.00 PM. The key speaker, Dr. Binu Thomas delivered an invited talk on the topic ‘‘Moodle LMS on Cloud for Educational Institutions and its Benefits’’. The talk covered the following points:

- The significance of Moodle LMS
- How to start with Moodle LMS on a free cloud.
- How to handle attendance
- How to handle the assignment pages.
- How to export them into separate spreadsheets.

The talk was followed by a small training session, which included the interaction with Mr. Titus J Sam, Moodle consultant. All the faculty members of the college attended the programme and actively participated in the training and discussion session.

Dr. K. Sreelatha, Head, Department of Physics, delivered the vote of thanks on the behalf of the IQAC of the college. The programme came to an end by 5.00 PM.

#### **40. Entrepreneurship Development Club and Department of Commerce, Entrepreneurship Talk Series, May 5, 2021**

Entrepreneurs today are more than just revenue builders. They offer employment, better prospects and a new way of living to the younger generation. India too, is a witness to Entrepreneurial Development, as the young minds have more courage and are willing to take risks. They are huge contributors to the economy today. Universities play a crucial role in underpinning innovation and entrepreneurial activities. They provide the conditions, facilities and talent that foster the emergence of breakthrough ideas. There are also strong pedagogical reasons for teaching entrepreneurship, as it engages students with real-world problems, develops critical thinking, and broadens their life skills. Entrepreneurship is simply the best way to improve your way of working and way of living. There are never-ending contributions and benefits of entrepreneurship to our students. The education of entrepreneurship forces them to start their work career before the completion of their degrees. On 27/05/2021 at 2.00 pm , Entrepreneurship Development Club and Department of Commerce of Sree Narayana College, Chengannur organized a one day webinar Titled ‘Journey of a successful entrepreneur’. The webinar was handled by Mr. Midhun Kalyodan, a successful entrepreneur and business partner of QI group of companies. 43 students participated in the webinar and benefited from the programme. The Programme was started with the welcome speech of Dr. Nishad A, Assistant Professor, Department of Commerce then the session carried out for one hour by Mr. Midhun Kalyodan. The Vote of thanks was delivered by Ms. Thushara U.S, HOD and Assistant Professor, Department of Commerce.

## 42. International Webinar on "Practicality of Studying Science" (IWP 2020) on August 25, 2020

The Post Graduate Department of Chemistry in Association with IQAC, SN College Chengannur Organized an International Webinar on the topic "Practicality of Studying Science" on 25th August 2020 at 2.30 PM. The inaugural function started at 2 pm and Dr. Venu S, Head of the Department of Chemistry welcomed all the invitees and delegates to the webinar. Mrs. Shereen K, Principal in charge of Sree Narayana College Chengannur inaugurated the webinar and delivered the inaugural address. Dr. Sibiu Padmanabhan , Scientist of Advanced Materials and Bio Engineering Research Centre (AMBER) Trinity College Dublin, Ireland , delivered an invited talk on "Practicality of Studying Science". In his talk he emphasized the need of the hour to improve the teaching methods to attract more students to the fascinating world of science and research. He also added that the curiosity of the students may be enhanced with suitable illustrations and experiments. He shared some of the interesting research activities he was involved in and narrated the possible opportunities of science students in India and abroad. Some of the interesting slides and brochure of the program follows,

2019-2020

### **43. One Day Seminar on “Chemistry and Periodic table”, in connection with International Year of the Periodic Table, 12 December, 2019**

The department of chemistry has organized a one-day seminar in connection with IYPT-2019, on 18-12-2019 in the college auditorium. The function was inaugurated by Dr. M.S. Latha, the principal of the college.

Dr. Biju S, Assistant Professor, Government Arts College, Trivandrum, delivered a talk on the topic “Chemistry and Periodic table”. The talk was followed by the discussion (Q&A session), the scope of research in various fields of chemistry was also a topic of discussion.

In the A.N session a ‘Rapid fire quiz competition’ on the topic “Periodic table and elements”, was conducted by the I M.Sc students (2019 Admission) of the college.

#### **44. A Career Guidance Programme, Entrepreneur Development Club and Department of Commerce, 28 October, 2019**

A Career Guidance Programme for the B. Com students was conducted in 28 October 2019 by **LOGISTICS**

## 45. One Day Seminar on “Perspectives of Research Astronomy and Astrophysics” on 18 October 2019

The Department of Physics and Science Forum of the Sree Narayana College, Chengannur in association with Academy of Physics Teachers Kerala organized a one-day seminar on “Perspectives of Research Astronomy and Astrophysics” on 18 October 2019. The program primarily targeted the post graduate students of the developments to pursue for higher studies in Astrophysics. Dr.M.S.Latha, Principal-in-charge, presided over the function. Prof.K.Indulekha, renowned Astrophysicist, School of Pure and Applied Physics, Mahatma Gandhi University, Kottayam inaugurated the event and delivered the inaugural speech. Prof.Indulekha gave away the prizes for the winners of a Quiz competition conducted in association with the 100th Birth Anniversary of Sri.Vikram Sara Bai, founder of ISRO. Prof.Indulekha also gave a Technical session on “Binary Formation in Stellar Clusters' '. She also inspired the students to go deep into the roots of Physics by admiring nature and laws of nature. Professor also delighted the students of the department by singing the famous Malayalam cinema song, “Kanana Cholayil Aadu meykan....”

#### **46. Class on Digital Banking and Cyber Security, 17 October, 2019**

Human Rights Forum conducted a program joining hands with the NSS unit of the college in collaboration with the Federal Bank, Ala. It was on Digital Banking and Cyber Security. The program convened in the college auditorium in the afternoon of October 17, 2019. The respected principal of the college Dr.M.S Latha welcomed the gathering and the program was headed by Mr. Varughese A.O, Deputy Vice President and Regional Head of Federal Bank, Mavelikkara. Mr. Vinod. V, Manager and Branch Head, Ala., Mr. Gireesh B, Zonal Office, Thiruvananthapuram , Mr. Aravind, Regional Office, Mavelikkara has taken classes on cyber security and digital banking. The officials beautifully portrayed the ease of opening a bank account. They taught us how we can simplify the job of a bank through several applications. The class was very informative and the students actively participated and at the end of the program they raised their doubts regarding banking. Questionnaires were distributed at the end of the program and students were selected for a survey regarding the adoption of a Digital village near Venmoney.

#### **47. Invited Talk on “Chemistry of Materials”, 30 August, 2019**

The department of chemistry has organized the inaugural function of the Chemistry Association; ‘Prismane-2019’ on 30<sup>th</sup> August 2019. Dr. Lizymol. P. P, Scientist, Sree Chitra Thirunal Institute, Trivandrum was the chief guest of the programme and delivered a lecture on the topic “Chemistry of Materials”. The function was presided over by the College Principal, Dr. M. S. Latha. Dr.K. Sreelatha, Head, Department of Physics, Dr. V. Shree Ranjini, Asst. Professor of Hindi, delivered the felicitation speech in the function. Rohit Krishnan. R of II B.Sc Chemistry (Association Secretary) delivered the vote of Thanks in the function.

#### **48. Skill Development Programme on Vegetable Carving, 3 August, 2019**

A Skill Development programme on Vegetable Carving was conducted by the NSS Units and Women Study Unit of the college. The training includes a lecture and a demonstration class by Associate Professor and Head of Department of Chemistry, SNC Chengannur. Afterwards the Students did their own carvings which were evaluated by the Resourse Person. This can be a wonderful value added career option for them in the future and the students were greatly interested in this.

2018-2019

#### **49. Two Day Workshop on "Computational Modeling and Drug Design" on at Department of Chemistry, 4-5th April 2018**

Computational modeling techniques have long been used for the synthesis of molecular structure and cost-effective (virtual) experimental analysis prior to synthesis. Computational techniques, especially molecular modeling, play a vital role in the drug design process. Ideally, the computational method will be able to predict affinity before a compound is synthesized and hence save enormous time and cost. Although progress was being made in computer aided drug design, the potential for high-throughput screening had begun to take precedence as a means for finding novel therapeutics. The method has the advantage of requiring minimal compound design or prior knowledge, and technologies required to screen large libraries have become more efficient. Most importantly, drug design projects may fail without the efforts of experts in computational modeling. Our department is involved in the identification of phytochemical based leads using computational methods such as Schrodinger software. In this context we organized a workshop under the sponsorship of Kerala State Council for Science, Technology and Environment (KSCSTE) to promote the scientific aspirations of post graduate students, researchers and faculties from various colleges in Kerala. The workshop was also intended to provide a common platform for the delegates to share knowledge and to plan strategies for modern drug research by intellectual interaction with experts in the field.

The workshop started with the registration at 9.00 AM on 4th April 2018. The inauguration function of the program began with an invocation by the students of our college. Dr. Rejikumar, Associate Professor and Principal in Charge presided over the function. Dr. Smitha Sasidhran, Convenor of the workshop welcomed the distinguished guests, invited speakers, delegates, faculties and students to the workshop. Prof. Sabu Thomas, Pro-Vice Chancellor, Mahatma Gandhi University inaugurated the workshop by lighting up the lamp and he also delivered the inaugural address.

**50. One Day Seminar and Awareness class on National Science Day - 2019, 26 &27 February, 2019**

With the Financial Aid from the Kerala State Council for Science Technology and Environment, Thiruvananthapuram and Department of Science and Technology, New Delhi the Department of Physics and Science Forum of the Sree Narayana College, Chengannur organized various competitions and a one-day Seminar & Awareness Program in connection with the National Science Day Celebrations this year. The programs primarily targeted the student community to create awareness on the developments of science and technology in India.

The programs inspired students to go for higher studies in basic sciences and understand the Importance of studying basic sciences. The programs also stimulated their co-curricular and Creative aspects.

Interdepartmental Quiz competition and Elocution competition was conducted on 26 February 2019. A one-day seminar and awareness programme was organized on 27 February 2019. Dr.Vijayakumar S, Assistant Professor, Dept. of Physics, NSS College, Pandalam inaugurated the function and delivered the inaugural address. The technical session of the seminar had invited talks of Dr. Vijayakumar S and a class on Quantum Mechanics by Mr. Vineeth Shaji, M.Sc. Physics student and a Presentation on Nobel Prize in Physics by Ms.Aswathy, M.Sc. Physics
