# JULY 11:-WORLD POPULATION DAY

World Population Day is an annual event, observed on July 11 every year, which seeks to raise awareness of global population issues. The event was established by the Governing Council of the United Nations Development Programme in 1989.It was inspired by the public interest in five billion day on July 11,1987,the approximate date on which the world's population reached five billion people. World Population Day aims to increase people's awareness on various population issues such as importance of family planning, gender equality, poverty, maternal health, and human rights.

WORLD POPULATION DAY

essay competetion

2:30 - 4 :30

The NSS volunteers in S.N College, Chengannur conducted an essay writing competition on July 11.As a part of the competition one of us shared our e-mail id. Others sent essay to it within the allotted time. Bindu VK who is the NSS programme officer and also a Malayalam teacher decided which essay was the best. Certificates were awarded to students who excelled in essay and who shared good ideas.
