NATIONAL SERVICE SCHEME 49A&B**

WORLD ORGAN DONATION DAY

World organ donation day is observed on Aug 13 on every year. Organ donation day is defined as the removal of organs from a body and transplanting it to a new body by surgical means. Organ donation is the act of donating an organ by a person so that it can be transplanted by a surgical procedure in the body of the recipient largely by improving the health. “The gift of organ donation is the greatest gift of all”. Today 2021/Aug 13 world organ donation day. We are the NSS volunteers of SN college, Chengannur, unit no:-49a&b decided to conduct a program according to this occasion, our volunteers conduct a Quiz competition, posters, awareness videos to spread the knowledge about this day. Our volunteers’ share works on volunteers group and department group and in our department group.
