## **REPORT ON INFRASTRUCTURE REJUVENATION AND DEVELOPMENT (INFRARED)**

INFRARED is one of the successfully implemented Strategic goals envisaged for the rejuvenation and construction of infrastructure for sustainable development; which has facilitated excellent academic ecosystem for higher learning in our college. This plan was formulated under the prime area namely “Strengthening of basic physical facilities” under the strategic plan 2016- 2025; which has been a major recommendation of the last NAAC accreditation team for improvement.

Taking into consideration of the NAAC recommendations for the quality enhancement of the institution the college council has decided to constitute a committee by IQAC. In the light of this, IQAC constituted a committee and formulated future strategic plans. The committee constituted on 27-07-2016 initiated its works. Through discussion with all the stakeholders of our institution the committee identifies the key areas for improvement. The committee prioritized the following three prime areas of development under Strategic Plan 2016-2025. Strengthening the basic physical facilities

- Improving the teaching/learning
- strengthening the research and extension
