GENDER AUDIT

The gender audit was conducted at Sree Narayana College Chengannur by IQAC and the Women's study unit of college. The audit was carried out at the college to study the gender balance and gender stability existing within the institution. It gave an opportunity to analyze the status of gender equality prevailing at the college and the progress of women's empowerment in society. The present study was based on the data collected from all the departments of the college for a period from 2018 to 2023. The details were collected in an information format prepared for the purpose of a gender audit.

Objectives of Gender Audit

- To monitor and reduce gender discrimination in the institution
- To identify the gaps and challenges in gender equality and establish a baseline for Gender Equality
- To find out the areas where gender imbalance exists and the reasons for inequality
- To suggest new strategies and policies for gender balance
- To foster gender equality in all aspects of college community.
- To establish good gender balance in decision-making processes in all areas of the college activities.
- To observe the college's efforts and competence to prevent sexual harassment.

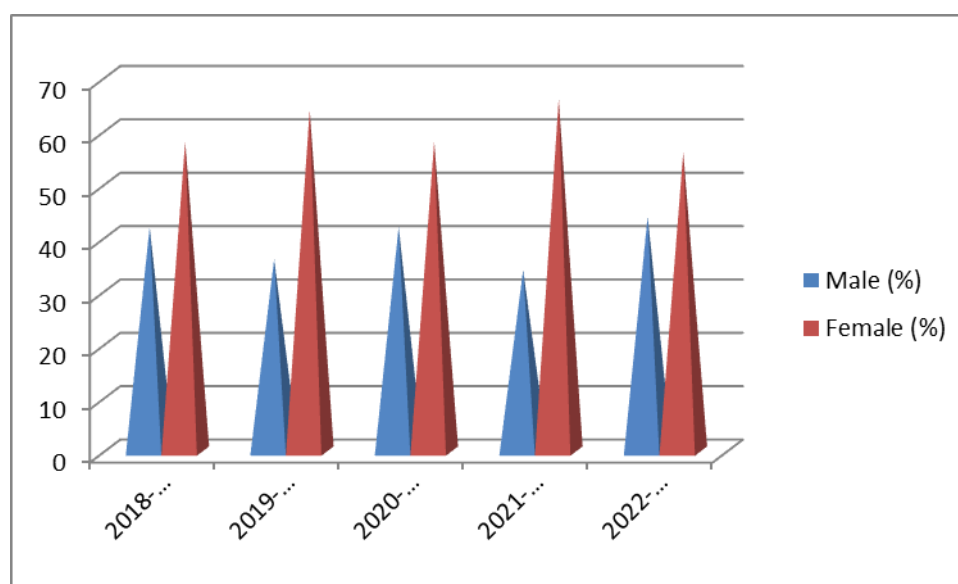

We have conducted Gender Audit at our institution to ensure that the policies of the institute are safer for all genders. The audit process involved collection of data, analysis of the policies, programmes and data to improve the extent of gender equality and balance. Gender equality is sustained at our college through various committees like Anti-ragging, Internal Complaints, Sexual Harassment Prevention, and Women's Study Unit. The college always took keen interest in providing adequate facilities to both girls and boys.
