Book Donation Drive

As part of the Reading week, A Book Donation drive organized by the Literary Club. Knowledge is power, and reading is one of the most effective and enjoyable ways to increase your education. The motive of the book donation drive was to help the nearby community of the college to discover the joy of reading. Books and education play a major role in providing knowledge to the people. Many of us have kept piles of books in our shelves in our homes, even if we haven't cracked them open in years. A community book donation drive can spread the joy of reading with quality literature, textbooks and even magazines to inspire a love of literature in the neighbourhood. A book depository box has arranged at the Department of Languages. Books were received from teachers, students and non-teaching staffs. The collected books were donated to the neighbourhood People's library. Principal of the college inaugurated the drive by dropping books in the drop box, followed by almost all faculties of the college have contributed books. Participation from students and non-teaching staffs of the college was also appreciable.

Observance of World AIDS Day December 1, 2022

World AIDS Day is a globally commemorated healthcare event observed every year on the 1st of December for the past 33 years (since 1988). The need for AIDS awareness day is essential as HIV infection is currently incurable, but one can control it with good quality education about the disease, especially in rural areas. This year 2022, the AIDS Day theme is “Equalize”, which emphasizes eliminating the inequalities that have slowed the fight against the disease. The inequalities, such as gender inequality, limit women’s access to HIV care and other forms of sexual and reproductive health care, which in turn affects their decision-making capabilities and their capacity to decline unwanted sexual encounters or negotiate for safer ones. Sree Narayana College Chengannur, National Service Scheme Units 49 A & B in association with Health and Fitness Club has observed the World AIDS day with various awareness activities ranging from Health talks, awareness campaign, red ribbon distribution, playing audio clips in classes, exhibiting posters in the college premises etc.

Republic Day Celebration January 26, 2023

Republic Day is the day when India marks and celebrates the date on which the Constitution of India came into effect on 26 January 1950. This replaced the Government of India Act 1935 as the governing document of India, thus turning the nation into a republic separate from British Raj. The constitution was adopted by the Indian Constituent Assembly on 26 November 1949 and came into effect on 26 January 1950. 26 January was chosen as the date for Republic Day as it was on that day in 1930 when the Declaration of Indian Independence was proclaimed by the Indian National Congress.

The 74th Republic day celebration started with the flag hoisting ceremony by the Principal Dr Shereen K. Thereafter she delivered the republic message to students and she stressed the role of youths in nation building. A heated discussion held in the college after the flag hoisting

ceremony. Thereafter all the NSS volunteers took a pledge that they won't use drugs or encourage anyone to use drugs.

A Young Innovators Students Orientation Program is an initiative designed to introduce young students to the world of innovation, entrepreneurship, and problem-solving. Students were introduced to the concept of innovation, its importance in today's world, and how innovation can address real-world challenges. They learned about the different forms of innovation, such as technological, social, or business innovation. Students are guided through the process of generating ideas and understanding the principles of design thinking. They learned how to identify problems, brainstorm creative solutions, and prototype their ideas. Students are exposed to the fundamentals of entrepreneurship, including aspects such as market research, business models, finance, and marketing. They learn about the entrepreneurial mindset and the process of turning ideas into viable business ventures.

Kargil Vijay Divas Date :- 26th July 2021

July 26 is celebrated as Kargil Vijay Diwas to mark India's victory over Pakistani forces on the Kargil heights. On July 26, 1999, India successfully took command of the high outposts. The Kargil war was fought for more than 60 days and ended on this day when the Pakistani army took advantage of the melting snow and - betraying the bilateral understanding of both the nations that the post would remain unattended during the winter season - took command of the high outposts of India. Kargil Diwas or 'Kargil Vijay Diwas' is celebrated in honour of the Kargil War's Heroes. This day is celebrated in the Kargil-sector and the national capital New Delhi, where the Prime Minister of India pays homage to the soldiers at Amar Jawan Jyoti at India Gate every year. As many as 527 soldiers from the Indian Armed Forces lost their lives during the war. As a part of the Kargil Vijay Diwas celebration, NSS unit of Sree Narayana College Chengannur also conducted a webinar on 27th July 2021 at 6.00 pm. The webinar was an interactive live session with Col. P.RAJNARAYAN sir. It was a proud moment for the NSS unit to have such a great person as a guest. He shared his experience and memorable moments in the operation. He also responded to our questions that we asked by the NSS Volunteers. NSS Programme Officers Mrs. Bindu V.K and Dr. Nishad A. also joined in the Webinar. 70 NSS Volunteers participated in the webinar.

National Service Scheme Day Date :- 24 th September 2021

The National Service Scheme (NSS) is an Indian government-sponsored flagship for public service program conducted by the Ministry of Youth Affairs and Sports of the Government of India. Popularly known as NSS, the scheme was launched in Gandhiji's Centenary year in 1969. Aimed at developing student's personality through community service, NSS is a voluntary association of young people in Colleges, Universities and at +2 level working for a campus community linkage. The symbol for the NSS has been based on the giant Rath Wheel of the world-famous Konark Sun Temple (The Black Pagoda) situated in Odisha, India. The wheel portrays the cycle of creation, preservation and release. It signifies the movement in life across time and space, the symbol thus stands for continuity as well as change and implies the continuous striving of NSS for social change. The eight bars in the wheel represents 24 hours of a day. The red colour indicates that the volunteer is full of young blood that is lively, active, energetic and full of high spirit. The navy blue colour indicates the cosmos of which the NSS is tiny part, ready to contribute its share for the welfare of the mankind. It stands for continuity as well as change and implies the continuous striving of NSS. The programme aims to instilling the idea of social welfare in students, and to provide service to society without bias. NSS volunteers work to ensure that everyone who is needy gets help to enhance their standard of living and lead a life of dignity. In doing so, volunteers learn from people in villages how to lead a good life despite a scarcity of resources. It also provides help in natural and man-made disasters by providing food, clothing and first aid to the disaster's victims. On this day, the NSS volunteers of Sree Narayana College, Chengannur, celebrated NSS day by preparing posters and making videos which contain the history, aims and importance of the National Service Scheme in the society. It was shared on the NSS official group of our college. The video made was helpful to the volunteers to know about the achievements of NSS in our country. On this

day the National Service Scheme team of alapuzha district give a awareness class about the covid pandemic and precautions taken for college Reopening

Children'S Day Date :- 14th November 2021

Children’s Day is celebrated across India to increase awareness about the rights, education, and welfare of children. It is celebrated on 14 November every year on the birthday of the First Prime Minister of India, Pandit Jawaharlal Nehru. Known as ‘Chacha Nehru’ among children, Nehru advocated for children to have all-rounded education that would build a better society in the future. Nehru considered children as real strength of a nation and foundation of society. On this day, many educational and motivational programmes for children are held across India. Celebration on children’s day is a great way to make both children and adults aware that children are the true future of the country. Hence everyone should understand the responsibility towards providing a fulfilled childhood to every child. The love and care that we give to our Children today, disregard of their social and economic status, will bloom as the fate of our country tomorrow. Children’s day celebration is a tribute to this thought. The NSS unit of our college also conducted several programmes and celebrated children’s day on November 14 itself. Due to the covid restrictions all the celebration programmes were conducted through online platforms. We conducted a drawing competition on the topic ‘childrens day’ itself and a quiz competition on November 14 itself. Many students and volunteers participated in the programmes and shared their drawings and opinions about the day through online mediums. Above all, the students and volunteers got new informations and new thoughts

throughout the programme. There was a huge success due to the mass participation of students and volunteers.

Observance of Human Rights Day (10/12/2021)

Human Rights Day is observed every year on 10 December — the day the United Nations General Assembly adopted, in 1948, the Universal Declaration of Human Rights (UDHR). The UDHR is a milestone document, which proclaims the inalienable rights that everyone is entitled

to as a human being - regardless of race, colour, religion, sex, language, political or other opinion, national or social origin, property, birth or other status.

This year's Human Rights Day theme relates to 'Equality' and Article 1 of the UDHR – “All human beings are born free and equal in dignity and rights.”

A meeting conducted on December 10, 2021 in the college auditorium at 2p.m. Ms Shereen K, Principal in charge of the college had a live discussion with the students about the theme of the current year and its relevance. Students were actively participated in the heated discussion.

Palliative Care-Distribution of food packets and medicine (21/12/21)

Palliative care is a specialized medical care for the people living with a serious illness. This type of care is focused on providing relief from the symptoms and stress of the illness. Palliative care is an interdisciplinary medical care giving approach aimed at optimizing quality of life and mitigating suffering among people with serious, complex illnesses. Engaging students in palliative care has a dual advantage. One is that their energy can be utilized for the benefit of patients with chronic disease. Another is that, inculcating the spirit of care can have a positive effect on the attitude of the students. The student palliative care unit is an initiative by the NSS unit (Unit No. 49 A & B) of SN College Chengannur. We are expressing our gratitude to Dr. Shaji A, Programme Coordinator, NSS, University of Kerala, Nishad Sir (NSS District Coordinator), Anzer Sir (State NSS officer) to provide students palliative care opportunity and the timely advises to complete this project. Student palliative care in our college had inaugurated by our College Principal Ms. Sherin K. All the teachers and other staffs of Sree Narayana College, Chengannur had supported to complete this project

HOME VISITS

After unit, district and university level training our volunteers got the participant certificate and they formed a cell in our college for palliative care. In the NSS camp our cell organization members take an orientation class started by the volunteers. When we execute our plan into the action we took ward 4,2,3,8,1 of Cheriyanad Panchayath in Alappuzha for our project. From this word we have selected the eligible persons and done our best to them. A small group of volunteers collect the details of patients who must have the palliative care near to the college. The NSS volunteers (unit no: 49a&b) of our college have organized a palliative care program on 21st and 22nd December 2021, 2pm to 5:30pm. They are divided into two groups to interact with the patient's and bystanders home through this programme. The spirit of palliative care can have a positive effect on the patients and on our team volunteers. The program was led by NSS volunteer Dhanya P S, Sreelekshmi , in the presence of volunteer secretary Avani Suseelan, Abin A and other volunteers .Then we got best support from our program officers Dr. Nishad .A & Smt. Bindu .VK, and the practical support and guidance were from Cheriyanad FHC Palliative nurse Bindu Udayakumar.

The main objective of SIP is to those under the tight grip of deadly disease, struggling with pain and living in a dark room is extended a helping hand and brought out into the light and the bedridden are supported and sheltered and the tears and troubles of the people, the one who are suffering, in pain and those in hunger will be assisted by the members of the Students Initiative in Palliative Care Unit to relieve their troubles. On the 20th and 21st January 2022, from morning onwards we have started the activity at 10:00am and the same day, we started our practical sessions from 1.30 pm to 5:30 pm. Our action team was actually done their job very happily and they all are excited to do this project as their own responsibility in the pandemic situation. Patients in the ward close to the college were given the high priority. We have completed this mission considering all the eligible families.

SUPPLY OF MEDICINES

The goal of palliative care is to relieve the suffering of patients and their families by the comprehensive diagnosis and treatment. By engaging students in palliative care, their energy can be utilized for the benefit of patients with chronic disease and their participation will inculcate the spirit of care and positive effect. Student Palliative Care links the local palliative care units, which function in different parts of the local areas, by which students are becoming active volunteers in fund collection and home care. Our NSS Volunteers had promised to support the patients by selling products made by patients to raise the fund. For this our NSS Volunteers are planning to do the campaign in selected areas to spread the concept of helping palliative patients and the relevance of society to support the helpless patients.

The third group of volunteers prepared the medical facilities including medicines, diapers stretching ball, stretching band etc., and the fourth group taken the responsibility of preparing the food kit. Then the fifth group of volunteers had provided the transportation facilities, and the palliative care cell coordinators of our college, program officers, palliative care nurse, and Asha works had helped us to reach out to the patients. Another group of volunteers rechecked the data of palliative care patients and conducted the survey. Thereby we can understand the patient's situation and can suggest solution to their problems. Through the survey palliative care volunteers got a better idea regarding the problems of the patients.

Distribution of food kits and clothes

Counseling facilities provided

Our Palliative care volunteers provide the counseling facilities to the palliative patients. The volunteers who all got the university level and district level palliative care training had given the counseling to the palliative patients.

INDEPENDENCE DAY (15th August)

The Independence Day of India, which is celebrated religiously throughout the country on the 15th of August every year, holds tremendous ground in the list of national days, since it reminds every Indian about the dawn of a new beginning, the beginning of an era of deliverance from the clutches of British colonialism of more than 200 years. India's gaining of independence was a tryst with destiny, as the struggle for freedom was a long and tiresome one, witnessing the sacrifices of many freedom fighters, who laid down their lives on the line. 'Atmanirbharta or Self-reliant India ' will be the theme of the Independence Day 2020 in the support of 'Atmanirbhar Bharat Abhiyan' The volunteers of the NSS units of Sree Narayana College, Chengannur enthusiastically celebrated the Independence Day of the year. Dr K Sreelatha, HoD of Department of Physics hoisted the flag. Then NSS Programme officer smt. Bindhu V K and other teachers were also participated during the celebration.
