**Figure 3:** Percentage of female teaching staff in the College

The female students and female teaching staff data's reinforce the fact that the majority of its students and teachers are women. Hence the institution has a major role to uplift the women community in the nearby rural areas. By actively promoting women's education and ensuring women's representation in both students and staff, the institution contributes to breaking down gender barriers and fostering a more inclusive and equitable society.

### **3. EXHIBITIONS ON GURU'S LITERATURE**

Every year the institution arranges an exhibition on Sree Narayana Guru's literature to realise the significance of education. The exhibition is conducted by the College Library, which is equipped with the rare book collections of Gurudevan. In order to inspire students regarding the reforms and revolutionary ideas of Sree Narayana Gurudevan, various inspirational works of Guru is exhibited yearly. Thus, the institution gives priority to Guru's teachings, ideologies, and principles and thereby constantly providing value-based education to our students.

This not only benefits the students but also contributes to the preservation of cultural heritage. By regularly organizing exhibitions featuring Guru's writings and books, the institution provides students with direct access to the wisdom and revolutionary ideas of Sree Narayana Guru. The exhibitions serve as a platform to create awareness about the social and educational reforms advocated by Sree Narayana Guru. By showcasing the works of Guru, the institution contributes to the promotion of Kerala's rich cultural heritage and intellectual traditions. It helps students and the broader community appreciate the contributions of Guru to society and culture.
