When every start takes us to another end...

And so do the way from Late Night Lantern to the Blooms of Perpetuity.

*Though we never made any promise-
 We laughed and laughed,
 We loved and loved,
 Until our unconditional love,
 Ignited the Late Night Lantern.*

*And we always held our hands tied-
 So tightly tied,
 That our journeys,
 Led us together to,
 the Blooms of Perpetuity.*

Falling down and rising up,
It's mandatory!
And go for it with all chill.
Pick things the way they come,

When life is too short
Let the clashes in the midst,
Don't clasp you down!

Think in wide matters that take you to the poles-
Let imagination, so in its beauty-
Keep your mind too well.
Dreams let them live within you-
Inhaling and exhaling your finer spirits.
And explore out, in days and night
The dreams and imagination in match.

When dirty politics, plays it's part;
In the most demeaning manner!
We find leaders, the so called leaders-
Who actually doesn't fit the role.
Well, a wolf in a goat's shield.
And the wolf did sound from a distance
Hey! Never dare to compare me with
those .
