## **Vision and Mission of the College**

The College is named after the great saint and social re-former Sree Narayana Guru. It stands as a monument that reminds us of the great doctrines of the Guru. The motto of the college is 'Enlightenment through Education' and it endeavours to mould a community of students committed to the pursuit of truth and moral excellence upholding the high ideals of Sree Narayana Guru, our patron. We aim at building up a humane and socially committed fraternity of young men and women by the upliftment of the downtrodden masses through education. It was His Holiness Narayana Guru's call to seek "liberation through education" which inspired the distinguished citizens of this backward area to start a new college. The basic objectives of the institution is to provide education to the marginalised section of the society. The college stands for academic excellence as well as de-velopment of the skill and character of students based on the Holy Guru's perspectives on humanism, secularism and universal brotherhood.

### **About the college**

Our institution is a major centre for higher education offering educational opportunities to the rural community. A large number of our students adorn coveted positions in India and abroad. They have contributed to the general development of the area. The Majority of the students of our college belongs to the backward classes with 70 to 80% comprising of girls, striving to achieve the goal of equal access and equal opportunity, in all walks of life.

The college is situated in a beautiful place 6 kms away from Chengannur. It started functioning in 1981, offering Pre-Degree courses in I, II, III & IV groups. The college was upgraded in 1991 and is currently running following UG and PG courses,

- B.Sc.Chemistry
- B.Sc.Physics
- B.Sc Mathematics
- B.A. Economics
- B.Com (Elective - Computer Application)
- M.Sc.Chemistry
- M.Sc Physics
- M.A. Economics (Behavioural Economics and Data Science)

## **COLLEGE MANAGEMENT**

Sree Narayana college Chengannur is managed by Sree Narayana Trusts, a corporate management which had contributed to the rich educational and cultural heritage of Kerala. Headquarters of SN Trust is located at Kollam. It was formed by the Founder Manager of Sree Narayana Colleges, Sri. R Sanker; keeping in mind the divine and educational ideals of Sree Narayana Guru. The major objective of the trust is to ensure the overall progress of the marginalised community in the society. The Honorable Secretary of the Sree Narayana Trusts, Sri. Vellapally Natesan is the Manager of the College. The Management committee of the college consists of the Members of the executive committee of the Sree Narayana Trusts together with the Principal of the college, who is an Ex-officio member.

# REPORT OF THE DEPARTMENTAL ACTIVITIES 2022-23

## DEPARTMENT OF CHEMISTRY

The department offers B.Sc Chemistry and M.Sc Chemistry as its UG and PG programmes. The department follows Choice based credit semester system (CBCSS) for both UG and PG- as per the guidelines of University of Kerala. The department also offers an Open course – Essentials of Chemistry for V semester UG students of other departments. For B. Sc Chemistry, Mathematics and Physics are offered as the complementary courses by the respective departments of the college. The department has 6 faculty members and one Lab Assistant.

### Courses Offered

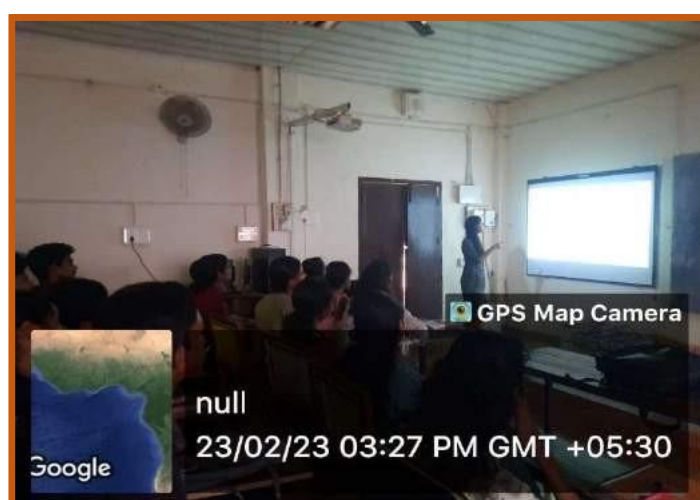

- B.Sc Chemistry
- M Sc Chemistry
- Certificate course on ‘food chemistry’
- Certificate course on polymer chemistry (fundamentals of polymer science and rubber technology)

### Student Strength

- I M.Sc- 19
- II M.Sc- 16
- I B.Sc- 3
- II B.Sc- 7
- III B.Sc- 12

### Academic Facilities Available

The department has smart classrooms for delivering the lectures by its faculty members. Also, the students (particularly PG students) are also supposed to present their seminar topics with the aid of such facilities.

The department provides computer and internet facility to its students, in addition to the college library facilities. The department has a computer with fast internet connection, attached with a colour printer facility, exclusively devoted to the reference of study materials for its faculty members and students.

#### **Faculty Development/Training/Skill Development Programmes Attended By The Faculty Members**

1. Three faculty members of the department (Dr. Jisha Sreedharan, Dr Anju K S & Dr. Smitha Sasidharan) have undergone one week (19<sup>th</sup> July to 25<sup>th</sup> July 2022) FDP programme on SAFER AND GREENER CHEMISTRY LABS, organized by Guru Angad Dev Teaching Learning Centre, a centre under the Pandit Madan Mohan Malaviya National Mission on Teachers and Teaching (PMMMNTT) of Ministry of Education, SGTB Khalsa College, University of Delhi.
2. IQAC coordinator, Dr. Smitha Sasisdharan has participated in 'Excellentia-23' on 10/02/2023, organised by Department of Higher Education, Government of Kerala to appreciate the various colleges who secured highest grade in NAAC accreditation.
3. Dr. Venu. S, Head, Assistant Professor, Department of Chemistry has successfully completed 8-day online workshop on Gaussian Software during 18-26 March 2023 conducted by SIAS Research Forum.
4. Dr. Venu. S, Head, Assistant Professor, Department of Chemistry has attended a training programme for valuation of answer scripts through the new SLCM softare for the First and Second Semester M. A/M. Com/M. Sc/ Degree on 31/01/2023. The training was organized by the University of Kerala, Thiruvananthapuram.
5. Dr.Jisha Sreedharan, Dr Anju K S, Dr. Smitha Sasidharan & Dr. Ambily Chandran has attended a training programme for valuation of answer scripts through the new SLCM softare for the First and Second Semester M. A/M. Com/M. Sc/ Degree on 03/02/2023. The training was organized by the University of Kerala, Thiruvananthapuram.

#### **Skill Development/Industrial Visits/Training Programmes- Organized By The Department/ Attended By The Students**

- (i) A few selected students have successfully completed an Industrial Familiarization Training at CENTRAL INSTITUTE OF PETROCHEMICAL ENGINEERING & TECHNOLOGY (CIPET) during the month of April 2022.
- (ii) The department has organized a Lab Visit to NIIST-Trivandrum in connection with its open day on 18/03/2023. The programme was coordinated by Dr. Anju. K. S, and Dr. Jisha Sreedharan. The students get acquainted with various instruments such as NMR, FT-IR, SEM and TEM.

**Students interacting with research scholars at NIIST Thiruvananthapuram**

- (iii) A Lab visit to CEPCI Laboratory and Research Institute (Cashew Export and Promotion Council of India), Kollam, on 28/03/2023. The visit was under the coordination of Dr. Ambily Chandran, Assistant Professor, Department of Chemistry. The students of Final B. Sc Chemistry, were the beneficiaries. The students acquainted with various instruments such as UV-vis spectrometer, FTIR spectrometer, Cyclic voltammetry and other relevant instruments.

**B. Sc Chemistry (2020-23 Batch) at CEPCI Laboratory and Research Institute, Kollam**

- (iv) A few selected students have successfully completed a short-term certificate course on “Scientific Waste Management And Significance Of Sustainable Materials”. The duration of the course was from 02/05/2023 to 25/05/2023.

**Academic Activities for the Benefit of the Students**

**ENTRY LEVEL TEST**

Entry level test for the first-year admissions was conducted in the month of December. (Details are available from the report filed at the department)

**BRIDGE COURSE**

The department conducts bridge course for New M. Sc admissions for brushing up the general and basics concepts in chemistry so as to ensure the continuity and make the course easier for the students.

### **REMEDIAL COACHING**

The department identifies the slow learners of each class through its tutor. The date for remedial teaching will be decided in the department meeting and then the same will be sanctioned by the principal for conducting the same.

### **PTA Meeting**

Semester wise PTA meeting was conducted. The meeting was chaired by Dr. Shereen. K, Principal. In the meeting, convened by the respective tutors, the team of teachers, along with the head of the department, interacted with parents of the individual student.

### **Orientation class to the M. Sc Students (new admissions) by the Alumni**

The department jointly with its alumni organized an orientation class by the alumni members on 17/08/2022. The main topics were the time management, how to prepare for the university examination, how to approach the problems in various areas of chemistry, especially from their point of view and experience.

### **Invited talk by Dr. Ajesh. K.R**

On 29-08-2022, the Department of Chemistry- as a part of its association- has organized an invited talk (“QUIMICOZ”) on the scope of chemistry in research and academics, under the co-ordinatorship of Dr. Anju. K. S, Assistant professor, Department of Chemistry, S.N. College, Chengannur. The talk was conducted by Dr. Ajesh, Assistant professor, Department of Chemistry, CMS College, Kottayam.

**Dr. Ajesh. K.R, the chief guest of the programme lighting the traditional lamp at the inaugural session**

### **QUIMICOZ**

On 29/08/2022, the invited talk of the association programme was followed by a quiz

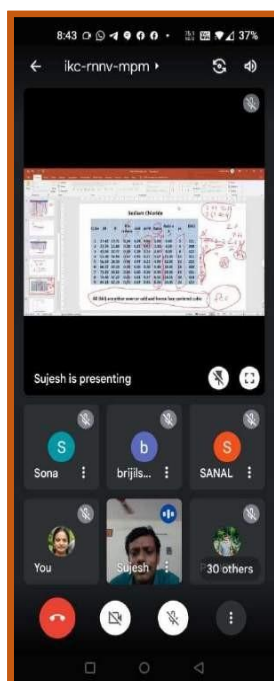

competition organized by the by the students of the department with the students of higher secondary in the near locality as its participants.

### **Prize distribution to the winners of the quiz competition**

#### **Invited talk on X-ray Diffraction studies**

On 15/09/2022, the Department of Chemistry, has organized an Online Invited talk on XRD, under the co-ordinator ship of Dr. Jisha Sreedharan. The talk was handled by Dr. Sujesh Baby, Assistant Professor, Department of Chemistry, Christian College, Chengannur. The talk mainly focused on the problem- solving methods in XRD problems, especially from the University practical examination point of view.

## UGC-CSIR NET ORIENTATION CLASS

The department has organized an orientation class on 11/10/2022, aimed at the preparation strategy for CSIR-UGC NET Examination. Students of M. Sc chemistry were the beneficiaries of the programme. The orientation class was led by Sri. Arun.

**CSIR-UGC-NET orientation class led by Sri. Arun**

## Certificate Course Offered by the Department

Food Science and Technology of duration 30 hours.

**Conduct of examination of certificate course**

## COLLABORATIONS

The department has got academic collaborations with various institutes, firms and Local Self Government. The department has signed Memorandum of understanding (MoUs) with the following institutes/firms/LSG:

- (i) Department of Chemistry, S. N College, Kollam
- (ii) Department of Chemistry, Government College, Nattakam, Kottayam
- (iii) Department of Chemistry, TKMM College Kollam
- (iv) Cherianad Grama Panchayat; Harithakarma sena- for collection and disposal of chemical waste.

**Signing of MoU with Government College, Nattakam, Kottayam**

## **Skill Development & Extension Programmes**

### **(i) SCIENCE FEST- 2023**

As a part of observing science day, on 22/02/2023, the department has organized a Science Fest for the benefit of its students as well as the students of the near by schools and institutions, especially higher secondary students of the nearby schools.

The image displays two parts of the Science Fest 2023 event. On the left is a yellow poster for Sree Narayana College, Chengannur, Alappuzha, Kerala, established in 1961. The poster is affiliated with the University of Kerala and is accredited by NAAC with a B Grade. It is organized by the Post Graduate Department of Chemistry in association with the PG Department of Physics, Science Forum & IQAC. The event is titled 'SCIENCE FEST 2023' and will be held at the College Auditorium on 22-02-2023 at 10:30 AM. On the right is a 'PROGRAMME SCHEDULE' for 22.02.2023 from 10:30 am to 11:30 am. The schedule includes an Inaugural Session with prayer by Ms. Rohini S Pillai, welcome by Ms. Reshima R.S, presidential address by Dr. Venu S, inauguration by Dr. Shereen K, felicitation by Dr. Smitha Sasidharan, and vote of thanks by Sri. Abhilash T Mohan. Following the session is a QUIMICA (Quiz Competition) at 11:30 am, a Lunch Break from 12:30-1:00 pm, and an AURORA (Science Exhibition) from 1:00 - 4:00 pm.

In the quiz programme, students from different higher secondary schools participated. The quiz programme was organized by the first year M. Sc students (2022 admissions). In the after noon session more than 300 hundred students from nearby schools attended the exhibition

**Quiz programme organized by the I M.Sc chemistry 2022 admissions as a part of science day observation**

**Exhibition at Chemistry Laboratory**

**(ii) Life Skill Development Programme**

As a part of skill development programme, the department of chemistry has organized a one- day programme, on 13/03/2023. The programme was a joint venture with the Women's study unit and IQAC of the college. The former Head, Department of Chemistry, Dr. (Prof.) Sheela S. Fernandez was the resource person of the programme.

### (iv) Extension activity on “Food Adulteration”

On 24/03/2023, the department has organized an invited talk on food adulteration. The Food Safety officer of Chengannur circle, Smt. Saranya R, was the chief guest of the programme. she delivered a talk on ‘Food Adulteration and Food Storage’. The talk was followed by (AN session) food testing and water testing experiments. A considerable number of water samples from the neighboring places were tested. There was an extensive participation from the public and students of near by schools.

### **Inaugural ceremony of the extension programme on “food adulteration”**

#### **Sports and Cultural Activities**

##### ***ONAM Celebrations***

The department has actively participated in the Onam Festival- the cultural festival of Kerala, Organized by the College, on 31/08/2022. The student of the department took part in the ‘Thiruvathirakali’- one of the cultural dances of Kerala- particularly performed by the women of Kerala.

The student also took part in the “Athapookkalam”- the Pookkalam was laid on the cleaned floor of the front yard of the main building of the college using various locally available flowers.

##### ***SPORTS MEET***

The department with its students actively participated in all the extracurricular activities- including sports and cultural activities- of the college. In the annual sports meet of the college, held on 08/03/2023, Goutham Manmadan of III DC Chemistry (2020 admission) and Lekshmi. M of I M.Sc Chemistry (2022 admission) were selected as best male and female athletes for the year 2022-2023.

Goutham Manmadan of III DC Chemistry & Lekshmi. M of I M. Sc Chemistry (Best athletes of the year 2022-23)

### ***ARTS DAY***

The students of our department actively participated in the Arts Day, organized by the College students Union on 10/03/2023.

### **DEPARTMENT OF PHYSICS**

#### **Courses Offered**

- B.Sc. Physics
- M.Sc. Physics

#### **Students Strength**

I M.Sc.-4 Students  
II M.Sc.-10 Students  
III B.Sc. - 10 Students  
II B.Sc. - 2 Students  
I B.Sc. - 1 Student

#### **Entry level Test Conducted**

Entry level Test was conducted for first year students in the month of December.

#### **PTA Meeting**

Class wise PTA meetings were conducted for all classes. The tutors of the respective classes and HOD had a close interaction with the parents.

#### **Entrepreneurship Programme/ Extension Activity Conducted**

Entrepreneurship Programme on “Assembling of LED sources for waste management and energy consumption reduction” Jointly Conducted by Post graduate department of Physics, Science forum and IQAC for UG and PG students in the month of February 2023.

### Model Examination for all classes

The revision classes were conducted for all classes, prior to their semester examination. Continuous evaluation sheets were prepared and forwarded to University. Practical classes were completed.

Sree Narayana College, Chengannur is a major centre for higher education offering educational opportunities to the vast community of Chengannur. The College was established in 1911 and is named after the great saint and social reformer Sree Narayana Guru. The College offers five undergraduate and three post graduate courses.

The Post Graduate Department of Chemistry, ever since its establishment remains one of the major departments of Sree Narayana College Chengannur and offers a variety of high quality teaching. The department aims to extend quality education, develop analytical skills and soft skills to both undergraduate and post graduate students for their overall academic developments. The faculty of the Department of Chemistry is committed to organize superior programmes that will enhance academic excellence, heritage and values of the institution.

## HARASSMENT PREVENTION COMMITTEE

At Sree Naryana College, Chengannur an active Harassment Prevention Committee is functioning. Coordinator is Dr. Nishad A and the members of the Committee are Dr. Reshmi, Smt. Soumya Surendran and Smt. Bindu V.K. The main aim of the committee is to provide an overview of the importance of preventing harassment in the organization or institution. Highlight any recent updates or changes to the policy. Also conducted training initiatives and programs implemented to raise awareness about harassment, its impact, and prevention strategies. Include information about the frequency and reach of the training sessions, as well as any feedback or evaluation mechanisms in place.

**Training Session on Harassment Prevention**

Various channels are available for reporting incidents of harassment, such as anonymous reporting, dedicated email and designated personnel. The college emphasize the confidentiality and protection provided to complainants during the reporting process. During the period 2022 – 23 no such harassment activities had reported. If any type of Harassment related activities will be reported, an enquiry will be conducted by the committee and disciplinary actions will suggest to the college council against perpetrators, including reprimands, warnings, suspensions, or terminations. Harassment Prevention Committee of the Sree Narayana College also consider the resources and support services available to victims of harassment, such as counseling, legal assistance, or employee assistance programs. As part of the efficiency improvement of the committee, committee track and assess the effectiveness of harassment prevention efforts, such as regular data collection, surveys, or focus groups.

## **HUMAN RIGHTS FORUM**

The general objective of the Human Rights forum of the college is to create awareness among the students about human rights and to enable students to recognize the importance of human rights and to create a human environment within the college. It aims at developing individual personality and to lead a dignified life without infringing the rights of others. The objective of the Forum in our college is to develop an attitude and behaviour that will lead to respect for others; ‘a value for human dignity’

As part of the activities of Human Rights Forum, the coordinator Ms.Aswathy Raj discussed the objectives of the forum in UG classes. They are instructed to report the incidents to the authorities if they suffer or find any human rights violations.

As part of the activities, the Forum conducted various programmes in the campus. Though the club was live with various discussions on some recent human rights violations, debates etc, and the official inauguration was on 18th November, 2022. Students welcomed the guests and gathering with the visual delight of 'pooja dance. Mrs Bindhu V K, Coordinator of Women Study Unit welcomed the gathering. Dr Shereen K, Principal of the college delivered the presidential address. She encouraged the youths to uplift human values. Adv Seena S Nair (District Court, Pathanamthitta ) lead a class on “Women Centric law”. She has explained it in detail about some sections which is protecting women rights. A number of laws and constitutional provisions are centred on safeguarding the rights of women and protecting them against violence in India. Indians are guaranteed the basic rights to live a dignified life – without any discrimination based on gender, race, caste, religion and other identities – under article 15 and 21 of the Indian Constitution. Likewise, the document also provides for the welfare, representation and wellbeing of women, by setting out the principles on which the state can frame laws for them. Under article 15(3), for instance, the constitution enables the state to make special provisions for women and children if need be to eradicate discrimination and enhance access to public spaces. Similarly, under article 16, women are entitled to equal opportunity for employment to any office. She has discussed about The Protection of Women from Domestic Violence Act, 2005, The Sexual Harassment of Women at Workplace (Prevention, Prohibition and Redressal) Act, 2013, Dowry Prohibition Act, 1961, The Maternity Benefit Act 1961, Free legal aid under legal services act, Property rights. The session was really eye opening to everyone. There was an open discussion arranged after the technical session and students raised many doubts regarding some laws and the advocate clarified their doubts. Mrs Hemalatha Mohan delivered the inaugural address. Mrs aswathy Raj ,Coordinator of Human Rights concluded the meeting by delivering vote of thanks

## Book Donation Drive

As part of the Reading week, A Book Donation drive organized by the Literary Club. Knowledge is power, and reading is one of the most effective and enjoyable ways to increase your education. The motive of the book donation drive was to help the nearby community of the college to discover the joy of reading. Books and education play a major role in providing

knowledge to the people. Many of us have kept piles of books in our shelves in our homes, even if we haven't cracked them open in years. A community book donation drive can spread the joy of reading with quality literature, textbooks and even magazines to inspire a love of literature in the neighborhood.

A book depository box has arranged in the Department of Languages. Anyone can donate any used or new book in the drop box. Books were received from teachers, students and non-teaching staffs. The collected books were donated to the neighborhood People's library. Principal of the college inaugurated the drive by dropping books in the drop box, followed by almost all faculties of the college have contributed books. Participation from students and non-teaching staffs of the college was also appreciable.

As part of the student evaluation committee, different methods used to collect student data, such as examination results, attendance records, surveys, interviews, or observations. Discuss the reliability and validity of these methods and any limitations encountered during the data collection process. Present the findings of the data analysis in a clear and organized manner. Based on the evaluation findings, provide recommendations for improving student performance. These recommendations may include targeted interventions, additional support services, curriculum adjustments, or changes in teaching methodologies. Also discuss any challenges or limitations encountered during the evaluation process. This may include data collection issues, insufficient resources, or any other factors that may have affected the accuracy or comprehensiveness of the evaluation. Include feedback received from students regarding their experiences and suggestions for improvement. This feedback could be collected through surveys, focus groups, or individual interviews. Summarize the key themes and trends that emerged from the student feedback. Describe the mechanisms that will be put in place to monitor the progress of the implementation plan. Discuss how the effectiveness of the recommended interventions will be evaluated and measured over time. Summarize the key findings, recommendations, and anticipated outcomes of the evaluation. Emphasize the importance of ongoing assessment and continuous improvement in enhancing student performance. In the academic year 22-23 Student Evaluation Committee conducted internal examination in each semester of all the UG and PG programmes. Conducted regular meetings, collected question papers from various departments and conducted internal examinations as per the academic calendar of the college and University. All the minutes of the meetings and process of Student Evaluation Committee are well documented.

## YOUNG INNOVATORS PROGRAMME (YIP)

Sree Narayana College, Chengannur actively participating K-DISC's Young Innovative Programme. Coordinator of the Programme is Dr. Nishad A, Assistant Professor, Dept. of Commerce. YIP Committee includes the Principal as the Head and all other Dept. Heads as the members of the committee. K-DISC's Young Innovators Programme (YIP) is set to enter an exciting new chapter with the announcement of the program's second edition through 2022. Keeping with the true intent of the vision of the program – to expose young students to the cycle of innovation and to promote a culture of Innovation in Kerala, YIP 2022 is designed to create a deeper imprint on the academic system in the state. The term "Young Innovators Program" is quite broad and can refer to different initiatives and programs aimed at fostering innovation among young individuals. These programs often provide resources, mentorship, and opportunities for young people to develop their innovative ideas and turn them into impactful projects or businesses. Young Innovators Competitions are competitions that invite young innovators to present their ideas or projects in various fields such as technology, science, social entrepreneurship, or sustainable development.

### Orientation Programme

On 3<sup>rd</sup> April 2023 at Sree Narayana College conducted an online orientation programme by YIP district co-ordinator Ms. Shamil M and it was a highly informative session for the students. A Young Innovators Students Orientation Program is an initiative designed to introduce young students to the world of innovation, entrepreneurship, and problem-solving.

Students are introduced to the concept of innovation, its importance in today's world, and how innovation can address real-world challenges. They learned about the different forms of innovation, such as technological, social, or business innovation. Students are guided through the process of generating ideas and understanding the principles of design thinking. They learned how to identify problems, brainstorm creative solutions, and prototype their ideas. Students are exposed to the fundamentals of entrepreneurship, including aspects such as

market research, business models, finance, and marketing. They learn about the entrepreneurial mindset and the process of turning ideas into viable business ventures.

### **1.1 Participation in Three Day Residential Training on Palliative Care July 27 to July 29**

The World Health Organization (WHO) defines palliative care as an approach that improves the quality of life of patients and their families facing the problems associated with a life-threatening illness, through the prevention and relief of suffering by means of early identification and impeccable assessment and treatment of pain and other problems, physical, psychosocial, and spiritual.

Engaging students in palliative care has a dual advantage. One is that their energy can be utilized for the benefit of patients with chronic disease. Another is that, inculcating the spirit of care can have a positive effect on the attitude of students.

Abhijith Ajay of Second year BA Economics got the opportunity for participating in Three day residential Palliative Care Training organized by National service Scheme & Department of Student Services, University of Kerala at Kerala University Student's Center PMG, Thiruvananthapuram from 27-29 July 2022. ## Har Ghar Thiranga Campaign

‘Har Ghar Tiranga’ is a campaign under the aegis of Azadi Ka Amrit Mahotsav to encourage people to bring the Tiranga home and to hoist it to mark the 75th year of India’s independence. The idea behind the initiative is to invoke the feeling of patriotism in the hearts of the people and to promote awareness about the Indian National Flag. NSS volunteers of the college started the campaign from 08/08/2022. They have visited UG, PG classes, departments, library, college office etc. Volunteers instructed everyone to hoist the tricolor in their homes from August 13 to 15 to participate in the celebrations of 75 years of India’s Independence. The aim of the program is to make a relationship with the national flag a more personal one rather than just keeping it formal

or institutional. People who use social media platforms can also participate by changing their profile pictures to National flag. The drive ended on August 15

## Invited Talk on women Centric Law November 18

A class on Women Centric Law conducted in association with Human Rights Forum and Women Cell

Mrs Bindhu V K, Coordinator of Women Study Unit welcomed the gathering. Dr Shereen K, Principal of the college delivered the presidential address. She encouraged the youths to uplift human values.

Adv Seena S Nair( District Court, Pathanamthitta ) lead a class on “Women Centric law”. She has explained it in detail about some sections which is protecting women rights. A number of laws

and constitutional provisions are centred on safeguarding the rights of women and protecting them against violence in India. Indians are guaranteed the basic rights to live a dignified life – without any discrimination based on gender, race, caste, religion and other identities – under article 15 and 21 of the Indian Constitution. Likewise, the document also provides for the welfare, representation and wellbeing of women, by setting out the principles on which the state can frame laws for them. Under article 15(3), for instance, the constitution enables the state to make special provisions for women and children if need be to eradicate discrimination and enhance access to public spaces. Similarly, under article 16, women are entitled to equal opportunity for employment to any office. She has discussed about The Protection of Women from Domestic Violence Act, 2005, The Sexual Harassment of Women at Workplace (Prevention, Prohibition and Redressal) Act, 2013, Dowry Prohibition Act, 1961, The Maternity Benefit Act 1961, free legal aid under legal services act, Property rights.

The session was really eye opening to everyone. There was an open discussion arranged after the technical session and students raised many doubts regarding some laws and the advocate clarified their doubts. Mrs Hemalatha Mohan delivered the inaugural address. While elaborating on the key aim of the forum she emphasized importance. Mrs aswathy Raj ,Coordinator of Human Rights Forum and NSS Programme Officer concluded the meeting by delivering vote of thanks

## **Observance of World AIDS Day**

### **December 1**

World AIDS Day is a globally commemorated healthcare event observed every year on the 1st of December for the past 33 years (since 1988). The need for AIDS awareness day is essential as HIV infection is currently incurable, but one can control it with good quality education about the disease, especially in rural areas. It was once an unmanageable chronic health condition, but now, with advances in HIV prevention, diagnosis, and care including for opportunistic infections, people with HIV can live long and healthy lives. Globally, the existence of awareness campaigns since 1988 has been a major boon, as the number of new patients has declined by 32% since 2010, and AIDS-related deaths have decreased by 68% since 2004.

This year 2022, the AIDS Day theme is “Equalize”, which emphasizes eliminating the inequalities that have slowed the fight against the disease. The inequalities, such as gender inequality, limit women’s access to HIV care and other forms of sexual and reproductive health care, which in turn affects their decision-making capabilities and their capacity to decline unwanted sexual encounters or negotiate for safer ones.

Sree Narayana College Chengannur , National Service Scheme Units 49 A & B in association with Health and Fitness Club has observed the World AIDS day with various awareness activities ranging from Health talks, awareness campaign, red ribbon distribution, playing audio clips in classes, exhibiting posters in the college premises etc.
