G-TEC IT/Academic Training centres work with a quality policy and is certified with ISO 9001:2015 for its QMS. With the centres representing 17 countries, we remain the #1 Training provider in India and global with 560 quality training centres. Our centres reaching far West upto Latin America until Africa, Middle East and Far East to testify the quality of materials, training and certification we provide. Since inception our only competitor was ourselves, being a tough critic over improvement of quality education and measures.

G-TEC has partnered with all major International Certification bodies including Microsoft (US), Adobe (US), SAP (Germany), IAB (UK), IIBI (UK), Interlinguae (Italy), Ubiquity University (UK), BCS (UK) to name some of them. Apart from this we are also part of all major projects of Central and State Government including NSDC(Govt of India), NIELIT (Govt Of India), Keltron(Govt of Kerala), NIOS (MHRD, Govt of India) etc.

Since 2011, G-TEC EDUCATION moved into a wider spectrum of operation and service to fulfill the growing demand for Academic and International exposure, with other two subsidiaries GCAS (G-TEC College of Advanced Studies), the Global Campus and G-TEC GENSMART ACADEMY the complete career workshop for schools and competitive exams. With the objective to Bridge Education to Employment, a separate division called GOBS Bank (G-TEC Job Portal) was formed in 2008 as our CSR. Since then we have coordinated 200 odd Job fairs which marked presence of potential employers counting 700+ and placement of around 13000 odd candidates. The event is totally free for both employers and employment seekers being our commitment to society.
