World Poetry Day

In celebrating World Poetry Day, March 21, UNESCO recognizes the unique ability of poetry to capture the creative spirit of the human mind.

World Poetry Day is an occasion to honour poets, revive oral traditions of poetry recitals, promote the reading, writing and teaching of poetry, foster the convergence between poetry and other arts such as theatre, dance, music and painting, and raise the visibility of poetry in the media. As poetry continues to bring people together across continents, all are invited to join in.
