**DVV Clarifications 5.3.1**

1) HEI to only consider awards at the university /state / national /international level ; HEI to exclude from data the interzonal and district-level, participation certificates

**Response:** We have considered only awards at the university /state / national /international level. Inter-zone competitions are equivalent to university-level competitions. When the participating number of teams is more than anticipated the university conducts zone-level competitions . Enclosed Certificate of Kum. Lekshmi J who secured third place in the Kerala University Intercollegiate JUDO championship for the year 2018-19.

2) HEI in data template to mention sports meet and sport 5.3.1

**Response:** Mentioned sports meet and sports in data template
