Details of Work Done : June - 2022

Date	Class	Topic / Seminar	Time
01/06/22	3 ^u chey	vectors - definition	9.30-10.30
	3 ^o phy	vectors - definition	1.30-2.30
02/06/22	3 ^u chey	vector sums of a line	1.30-2.30
03/06/22	3 ^u chey	Graph of a vector	9.30-10.30
	3 ^o phy	vector sums of a line	1.30-2.30
06/06/22	3 ^u chey	problems of vectors	9.30-10.30
	3 ^o phy	Graph of a vector	1.30-2.30
(7-02)			9.30-10.30
08/06/22	3 ^u chey	x-intercept	1.30-2.30
	3 ^o phy	problems of vector	9.30-10.30
09/06/22	3 ^o phy	x-intercept	11.30-12.30
	3 ^o phy	y-intercept	2.30-3.30
	3 ^u math	Rectangular coordinates	10.30-11.30

ACADEMIC YEAR: 2018- 2019, 2019-2020, 2020-21

Mentoring Report

Mentoring system is introduced in the department with the sole purpose of catering to the needs of the students in their academic and personal level. Many students are from economically weaker section of society mostly from rural areas lacking proper academic background and facing financial constraints. Mentoring system is thus an essential feature to render equitable service to the students coming from different background. Mentoring system in the Institute provides support to the students through advice and counselling, through friendship building, through re-enforcement and constructive role modelling. Thus, mentoring expands beyond teaching to advancement in the educational and personal growth of the mentee.

Aims and Objectives:

1. To build relationship of natural trust and respect with the mentee.
2. To provide support to the mentee in devising action plan considering his/her goal and capabilities.
3. To identify slow learners and provide support and help to motivate them.
4. To encourage advanced learners to reach their full potential.
5. To guide and help individual to develop their own vision and goal for the future.

REMEDIAL COACHING PROGRAMME 2018-2019

We were able to conduct remedial coaching very effectively in this academic year. The remedial coaching is to aid weak learners in Physics subject. Weak students are selected from Bridge courses also from the performance of students in the exams and class assessments. During this section teacher helps the student to improve their skills and confidence to attain good score in the exam and soon. Remedial hours were conducted before the regular class hours from 3pm to 4pm.

The remedial coaching committee for this academic year was constituted with the following faculties. Dr. Rejikumar, Dr. K Sreelatha, Ms. Arya Raveendran, Ms. Nidhi and Ms Arya Suredran, Ms. Renju Ravi. The remedial coaching classes started for III DC and II DC students from June onwards and for I DC Students after the Bridge Course conducted on September. For III DC students the coaching was conducted on the behalf of their university marks.

Here some details of remedial coaching classes list.

STUDENTS PARTICIPATION

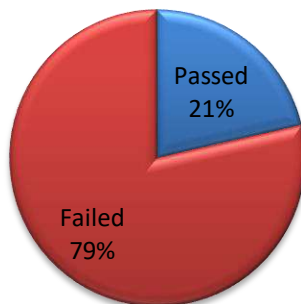

We were added all of the students for the remedial course because they all are average students so this coaching leads them to achieve a good goal.

Report on Remedial Class - 2022-2023

The purpose of conducting Remedial classes is to help the slow learner students to improve their academic performance. In these classes, all the doubts and queries of the students are resolved along with the revision of various difficult topics. Systematic coaching classes for needy students will help them to perform better in their examinations. Our remedial class includes organized teaching hours, repeated exams and mentoring sessions. These are really fruitful and helped to enhance their performances.

The slow learners were identified by entry-level tests and decided to give remedial classes from 3 pm-4 pm on two days a week.
