World Environment Day Celebration

NATIONAL SERVICE SCHEME 49 A & B

1 Observance of Environment Day

June 5, 2023

World Environment Day is the biggest international day for environment, celebrated every year on the 5th of June and aims at raising awareness and celebrating environmental action.

Led by the United Nations Environment Programme (UNEP), and held annually since 1973, it has grown to be the largest global platform for environmental outreach.

This year's campaign is celebrated under the theme **Beat Plastic Pollution**. It highlights the need to take concrete action to achieve transformative change to tackle the climate crisis.

Celebrating World Environment Day in colleges is a great way to raise awareness about environmental issues and promote sustainable practices among students.

The National Service Scheme Units 49 A & B organized Environment day celebration with the “Bhoomithra Sena Club” of the college.

The celebration began with a cleaning drive. The special focus was to maintain the status of plastic free campus. Students were advised to bring fruit saplings from their own home premises to plant it on the Environment Day in the college campus. They brought saplings like Mango, Jackfruit, Guava, Papaya, Mangosteen, Rambutan, etc.

The principal inaugurated the celebration by planting mango sapling. Thereafter she delivered a speech and she stressed the importance of protecting our environment and also she advised the students to follow green protocol inside the campus.

NSS volunteers also participated in the cleaning drive organized by Kerala State Youth Welfare Board, District Youth Center, Alappuzha on June 05. 2023 at Paathiramanal Island.
