When a person bids good bye to her or his work, which indeed was a passion and the joyest of professions, that decision would be for a finer brave new world. And that was how **Ms. Vani Jayadevam** bid good bye to SNC.

Though it was indeed painful for each one who knew her, or even for the slightest of acquaintance we together wished her all the good wishes. And off to Switzerland.

A farewell note went this way on 15th of March 2022, and was hosted by the *Staff Association of SNC*.
