### **Resource Person**

Dr. B Beena, a distinguished academician, having 24 years of teaching service, is an approved research guide of the University of Kerala. She has produced seven PhDs under her guidance and her biodata is included in Who's Who in the world. She was a principal investigator for two major and two minor research projects and of 10 student projects funded by KSCSTE. She has contributed to the research and allied activities of the college as the coordinator of the DST-FIST programme. Winner of the best teacher award by SNIT Adoor, She was awarded the Summer Research fellowship of Science Academies. She is an ardent researcher who has served as a resource person in many national seminars and a reviewer for international journals in Chemistry. Her area of interest is Material Chemistry and has published 50 papers in various national and international journals. She has presented papers in various national and international conferences including the International Conference on Chemistry and Chemical Process (2014) in Singapore. She was instrumental in procuring support under the KSCSTE SARD scheme which serves to augment infrastructural facilities for promoting research and developmental activities.

# Sree Narayana College Chengannur

Sree Narayana College, Chengannur is a major centre for higher education offering educational opportunities to the rural community. The college was established in 1981, and is named after the great saint and social reformer Sree Narayana Guru. The basic objective of the institution is to provide education to the marginalised section of the society. The college offer five under graduate and three post graduate courses.

The IQAC, SN College Chengannur, is dedicated to improve the academic as well as the life skills of students, thereby empowering them to achieve personal and professional goals. This year we are introducing a new internal mentoring panel to support and encourage students to manage their own learning abilities. The objective is to maximise their potential, develop their skills and improve their performance to become a successful person in life. We are also glad to introduce bridge courses in Mathematics, Chemistry, Physics, Commerce and Economics so as to improve the fundamental knowledge of students in respective subjects and fill the gap between the higher secondary and higher education learning.

## Internal Mentoring Panel

- ✦ Dr. V. Shree Ranjini
- ✦ Dr. Anju K S
- ✦ Dr. Venu S
- ✦ Dr. Jisha Sreedharan
- ✦ Ms. Bindu V K
- ✦ Ms. Vani Jayadevan
- ✦ Mr. Libin K Sabu
- ✦ Mr. Jincemon Cyriac
- ✦ Ms. Aswathy Raj
- ✦ Dr. Reshmi R
- ✦ Dr. A Nishad
- ✦ Dr. Smitha Sasidharan

## Bridge Courses

- ✦ Mathematics
- ✦ Chemistry
- ✦ Physics
- ✦ Commerce
- ✦ Economics
