THEME: 2021
 "SHARE FACTS ON DRUGS, SAVE LIVES"

The United Nations General Assembly declared 26 June as the International Day against Drug Abuse and Illicit Trafficking on 7 December 1987. The problem of Drug Abuse has already recognized globally during the early 20th century. The aim is to strengthen action and co-operation to achieve the goal of an International society of free drug abuse. This year, the theme of International day against drug abuse is "Share facts on drugs, save lives".

As per UNODC, COVID-19 has brought unprecedented public awareness of health, preventive measures for staying healthy. World Drug Day is a day to share experiences, finding, facts, and continue keeping into a shared spirit of solidarity.

DRUG ABUSE AND ILLICIT TRAFFICKING

On 7th December 1987, the General Assembly decided to observe 26 June as the International Day against Drug Abuse and Illicit Trafficking as an expansion of its determination to strengthen action and cooperation to achieve the goal of an international society free of drug abuse.

"SHARE FACTS ON DRUGS, SAVE LIVES" the theme of the 2021 International Day Against Drug Abuse and Illicit Trafficking aims at circulating information and promotes sharing the facts on drugs - from health risks and solutions to tackle the world drug problem, to evidence-based prevention, treatment and care.

Drug abuse means the use or consumption of drugs like Marijuana, Alcohol, Cocaine, Valium etc. Alcohol is the most abused drug in the world perhaps because its consumption is allowed by many countries. The UN Office on Drugs and Crime (UNODC) claims that around 200 million around the world are drug addicts.

Illicit Trafficking refers to the smuggling or trafficking of small arms, explosives and light weapons. Such arms are trafficked all over the world however some regions which are afflicted by violence, armed conflicts and organized crime are
