

The Kerala Academy of Sciences

The Kerala Academy of Sciences (KAS) is a professional body established in 1989, focusing on scientists, technocrats, medical professionals, academicians, and science managers. It has 19 Honorary Fellows, 89 Fellows, and around 750 Life members. The Academy's main objectives include science popularization, promoting scientific temper, and providing an interdisciplinary platform for idea exchange. The organization organizes various programs, including outreach to school students, public meetings, international seminars, commemorative lectures, endowment programs, and observance of major Science and Technology days across Kerala.

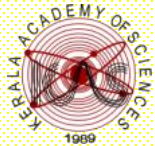

Sree Narayana College Chengannur

Sree Narayana College Chengannur was established in the year 1981 and is affiliated to the University of Kerala. The college was established in keeping with the vision of the Patron saint of the institution, Sree Narayana Guru. The college is run by Sree Narayana Trusts Kollam, which stands for socially and educationally marginalized community. Recently college is re-accredited by NAAC with 'A' Grade and Kerala State Higher Education Council ranked among top 100 colleges in Kerala. The college is situated in a rural area at Cheriyannadu village of Alappuzha district. The College offers 5 Undergraduate and 3 Postgraduate Programmes on various disciplines.
