The motive of the book donation drive was to help the nearby community of the college to discover the joy of reading. Books and education play a major role in providing knowledge to the people. Many of us have kept piles of books in our shelves in our homes, even if we haven't cracked them open in years. A community book donation drive can spread the joy of reading with quality literature, textbooks and even magazines to inspire a love of literature in the neighborhood.

A book depository box has arranged in the Department of Languages. Anyone can donate any used or new book in the drop box. Books were received from teachers, students and non teaching staffs. The collected books were donated to the neighborhood People's library
