## ***News Paper Reading Drive***

(Hybrid Mode)

Department of English in association with Literary Club of Sree Narayana College, Chengannur started a News Paper Reading Drive on 18- 07- 2024. The News Paper Reading in English is important for several reasons, especially in educational and community setting. The drive aimed at enhancing vocabulary, grammar and comprehension. It aimed at helping readers to familiarize with different writing styles and tone for mastering the language. Apart from the linguistic perspective, news paper provides diverse perspectives on current events.

Students from the Four Year Under Graduate Programme in the college participated in the initiative. The event started at 10 am with a brief introduction on the need of ‘reading’ in the current scenario. The students after reading the News Paper were given time for pondering on the news items depicted on each News Paper and it was evident that the initiative helped them to read critically, promote analytical thinking, foster the ability to question, interpret and form opinions based on evidence.
