Together We Can: Adopted Family by NSS

NSS Units 49 A & 49 B

The Cardinal principle of the NSS programmes include Community Service. Students themselves and both students and teachers through their combined participation in community service, get a sense of involvement in the tasks of nation building. The objective of the National Service Scheme is “development of the personality of students through community service”. It aims to inculcate social welfare in students and to provide service to society without any bias. In doing so, volunteers learn to help those who are victims of diseases and poverty.

The Motto of NSS is "Not Me, But You", which reflects the essence of democratic living and upholds the need for self-less service. The NSS Units of Sree Narayana College, Chengannur, under the initiative named: ‘Together We Can’ was willing to adopt a family who are really in need of help and care. A family of three belongs to Parachantha was the nearest one who are in need nearby. The family comprises of parents and their grown up daughter, all of them suffering from different kinds of diseases. The volunteers were willing to visit their home to know about the condition and after finding their pathetic condition, decided to adopt the family as part of charity work.

NSS Volunteers of Sree Narayana College Chengannur, while visiting the adopted family...

The family is under the care of Sree Narayana College, Chengannur and the NSS team since 2023-24 academic year. NSS volunteers do regularly visit them with food kit and help. The family expressed their gratitude to the volunteers as they need to be appreciated for their selfless service. The practice is expected to continue in the upcoming years as well.
