

Report of the International Webinar on
"Practicality of Studying Science" (IWP 2020) on 25/8/2020

The Post Graduate Department of Chemistry in Association with IQAC, SN College Chengannur Organized an International Webinar on the topic "Practicality of Studying Science" on 25th August 2020 at 2.30 PM. The inaugural function started at 2 pm and Dr. Venu S, Head of the Department of Chemistry welcomed all the invitees and delegates to the webinar. Mrs. Shereen K, Principal in charge of Sree Narayana College Chengannur inaugurated the webinar and delivered inaugural address. Dr. Siby Padmanabhan , Scientist of Advanced Materials and BioEngineering Research Centre (AMBER) Trinity College Dublin, Ireland . delivered an invited talk on "Practicality of Studying Science". In his talk he emphasised the need of the hour to improve the teaching methods to attract more students to the fascinating world of science and research. He also added that the curiosity of the students may be enhanced with suitable illustrations and experiments. He shared some of the interesting research activities he was involved and narrated the possible opportunities of science students in India and abroad. Some of the interesting slides and brochure of the programme follows,
