

SREE NARAYANA COLLEGE, CHENGANNUR

STANDARDS CLUB

REPORT OF THE ACTIVITIES 2023-24

STANDARDS CLUB

The National Standards Body of India-Bureau of Indian Standards, (BIS), has taken the initiative of creating Standards Clubs in educational institutions comprising teachers and students as members. Through a variety of activities under these Clubs, young talents get learning opportunities in the field of quality and standardization. Teachers have an important role in the activities of the Clubs and would serve as beacons of light, guiding and motivating students to channelize their creativity and enhance their scientific temperament. Though in its nascent stage, the Standards Clubs have already garnered prominence and are being enthusiastically promoted by educational institutions to supplement and improve the schooling experience of students and provide opportunities to better their professional and personal growth.

Children are the future and form the foundation on which a strong, vibrant and dynamic nation is built. The values children are exposed to in their formative years get inculcated in their young minds and serve as a force multiplier that has the capacity to transform the future of a nation. Quality consciousness, based on standardization, is one of the pillars of accelerated economic development and priming students to appreciate the significance of quality, standards and standardization can serve as a catalyst to improve societal awareness on these subjects.

Training Programmes Attended

Dr K Sreelatha, Mentor, Standards Club of Sree Narayana College, Chengannur attended the Mentors Training Programme of the Standards Club organized by Bureau of Indian Standards, Kochi Branch Office at Quilon Beach Hotel, Kollam on 1st & 2nd of February 2024.

Activities of the Standard Club

The Science Forum, Post Graduate Department of Physics & IQAC of the Sree Narayana College, Chengannur in association with Standards Club organized a sensitization program on 07 March 2024 to create an awareness about Indian Standards. The programme was conducted under the initiative of Bureau of Indian Standards (BIS), Cochin Chapter.

The meeting started with a prayer song by Ms.Anagha Jyothi, III B.Sc. Chemistry, Dr.K.Sreelatha, the Mentor of the Standards club welcomed the gathering. DR. Anju K S, Principal-in Charge gave the presidential address. Sri.Sarun S, Standard Promotion Consultant, BIS conducted an awareness class about Indian Standards and use of quality products (both buying and selling) in Indian markets.
