In connection with
WORLD WETLAND DAY-2019

Organized by
Post Graduate Department of Chemistry
National Service Scheme
&

Bhoomithrasena Club
Sree Narayana College, Chengannur

Supported by

Kerala State Council for Science, Technology and Environment (KSCSTE)
Sasthra Bhavan, Pattom, Thiruvananthapuram-695004, Kerala.

Sree Narayana College Chengannur, named after the great saint and social reformer Sree Narayana Guru, is situated in the rural area of Cheriyanadu panchayath of Chengannur taluk. The college was started in the year 1981 with a vision to provide opportunities in higher education for the marginalised sections in the locality. The college offers five undergraduate courses and two post graduate courses and was accredited with grade “ B” by NAAC.

Post graduate Department of Chemistry, NSS & Bhoomithrasena Club of the college jointly organise an awareness programme in connection with World Wetland Day 2019. Wetlands are unique ecosystems saturated with water either permanently or seasonally. Wetlands play vital role in water purification, flood control, carbon sink and shoreline stability in the environment. Wetlands are also considered as the most biologically diverse of all ecosystems harbouring a variety of flora and fauna.

This programme intends to create an awareness among the youth and public on the importance of wetlands for environment protection and the need to preserve them for a sustainable urban future. This programme is supported by Kerala State Council for Science, Technology and Environment (KSCSTE), Government of Kerala. The college warmly invites you to attend the programme.

Dr. Sheela S Fernandez
(Head, Department of Chemistry)

Smt. Jisha Sreedharan
Smt. Soumya Surendran
(NSS Programme Officers)

Dr. K. Shiny Sreedhar
(Principal)

PROGRAMME

Venue: College auditorium
1st February 2019

9.00 am	Registration
10.00-11.00 am	Inaugural session
Prayer	College choir
Welcome	Dr. Sheela S Fernandez (Head, Department of Chemistry)
Presidential address	Dr. K. Shiny Sreedhar (Principal)
Inaugural address	Smt. K K Radhamma (President, Cheriyanadu Panchayathu)
Felicitations	Dr. Venu S (IQAC Coordinator)
	Adv. Deepa Stenat (Ward Member)
	Dr. V Shree Ranjini (Coordinator, Bhoomithrasena Club)
	Smt. Jisha Sreedharan (NSS Programme Officer)
Vote of Thanks	Tea break
11.00 am	Technical session
11.15 am	Topic: “Hydrochemistry of Wetland Resources”
	Dr. Anoop Krishnan K
	(Scientist D, National Centre for Earth Science Studies, Thiruvananthapuram)
1.00-2.00 pm	Lunch Break
2.00 pm	Debate Competition
	Topic : “Wetlands and urban future”
2.45 pm	Tea break
3.00-4.00 pm	Debate Competition
	Topic : “Wetlands and urban future”
