

JUNE 5 – WORLD ENVIRONMENT DAY

As part of the ‘World Environment Day’ the Bhoomithrasena Club and NSS units of S N College, Chengannur jointly observed the day by planting saplings in the Campus. Our Principal Dr. K. Shiny Sreedhar inaugurated the programme by planting a sapling. All staffs and students actively participated in the programme. This year Bhoomithrasena Club members took special interest in planting fruit trees. Saplings of Mango, Gooseberry, Chikoo (Sapodilla), Guava and black plum (Jamun) were planted in the campus.
