# Sree Narayana College Chengannur

Sree Narayana College, Chengannur is a major centre for higher education offering educational opportunities to the rural community of Chengannur and Mavelikkara. The college was established in 1981, and is named after the great saint and social reformer Sree Narayana Guru. The basic objective of the institution is to provide education to the marginalised section of the society. The college offer five under graduate and three post graduate courses.

The Post Graduate Department of Chemistry ever since its establishment remains one of the major departments of SN College Chengannur and offers a unique blend of high quality teaching. The department aims to impart quality education, and develop analytical skills and soft skills, to both undergraduate and post-graduate students for their overall academic development. The faculties of Department of Chemistry is committed to organize superior programmes that will embrace academic excellence, heritage and values to the Institution.

We cordially invite all the post graduate science students and research scholars to the webinar and explore the international research opportunities in science.
